Subject: Health Needs and Human Services Commission 2016 Goals

Date: March 1, 2016

At the February 9th meeting, our commission unanimously voted to submit the following three goals for you to review and potentially approve.

1. Work with other community partners to cohost two or more networking gatherings in 2016 that will bring people together.
2. Support at least one public health initiative in Sitka.
3. Research and develop at least one public health policy designed to improve the health of Sitkans.

The new 2016 goals are very similar to last year's. Our seven person commission is full and ready for another productive year.
