RE: Letter of Interest for reappointment to LEPC

I would like to be considered for reappointment to the LEPC as a category 5 member (Owners/Operators of Facilities). I have been a resident of Sitka for over 30 years and employed with NSRAA for 30 years as well. I am currently General Manager at NSRAA and feel that I would be a well-qualified candidate for reappointment.

NSRAA is already involved with emergency planning with the city due to the location of our hatchery locations at Sawmill Cove Industrial Park and Medvejie. We are a primary contact in the City of Sitka's Blue Lake Emergency Action Plan. In addition it would be beneficial for NSRAA to be involved with emergency planning at the city level due to our widely scattered location of projects. During an emergency (tsunami, earthquake, etc...) we may have anywhere from 20 to 30 people at remote hatcheries and field camps who may need assistance in the event of a disaster.

Thank you for your time and consideration for reappointment to the LEPC.
