A fractional part of lot two (2) of block eight (8) according to U.S. Survey 1474, Tract A, the subdivision of the Townsite of Sitka, Alaska and more fully described as:

Beginning at a point which bears North 65 degrees 53 minutes East a distance of 70.0 feet from the Southwest corner of said lot 2 & on the Southerly boundary thereof, which point is herein called corner #1; thence North 20 degrees 51 minutes West a distance of 82.0 feet more or less to intersection with the Northerly boundary of said lot 2 as corner #2 hereof; thence North 58 degrees 30.5 minutes East along the Northerly boundary of said lot 2 a distance of 50.0 feet to corner #3; thence in a Southerly direction a distance of 88 feet more or less to a point on the Southerly boundary of said lot 2 bearing North 65 degrees 53 minutes East from Corner #1 of the tract described herein a distance of 50.0 feet as corner #4; thence South 65 degrees 53 minutes West along said Southerly boundary a distance of 50.0 feet to corner #1 the point of beginning.

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, rights, appurtenances, rents, royalties, mineral, oil and gas rights and profits, water rights and all fixtures now or hereafter a part of the property. All replacements and additional debt shall also be covered by this Deed of Trust as "Property."

This Deed of Trust is for the purpose of securing performance of each agreement of Trustor herein contained and payment of the principal sum of **ONE HUNDRED FIFTY-NINE THOUSAND and 00/100s (\$159,000.00)** plus interest, in accordance with the terms of a Deed of Trust Note of even date herewith, payable to Beneficiary or order and made by Trustor, and all renewals, modifications and extensions thereof, together with interest thereon as agreed by the parties.

To protect the security of this Deed of Trust, Trustor covenants and agrees:

1. To keep the subject property in good condition and repair; to permit no waste thereof; to complete any building, structure, or improvements being built or about to be built thereon; to restore promptly any building, structure or improvement thereon which may be damaged or destroyed; and, to comply with all laws, ordinances, regulations, covenants, conditions and restrictions affecting the subject property.

2. To pay, before delinquent, all lawful taxes, assessments, encumbrances, and liens, and to keep the subject property free and clear of all other taxes, assessments, charges, liens or encumbrances impairing the security of this Deed of Trust. Failure to pay such taxes, assessments, encumbrances, and liens shall constitute a default under this Deed of Trust.

3. To keep all buildings now or hereafter erected on the subject property continuously insured against loss by fire or other hazards in an amount not less than the total debt secured by this Deed of Trust. If there are to be no improvements or structures located on the subject property this paragraph shall not apply. All policies shall be held by Beneficiary and be in such companies as Beneficiary may approve, and have loss payable first to Beneficiary, as its interest may appear, and then to Trustor. The amount collected under any insurance policy may be applied upon any indebtedness hereby secured in such order as Beneficiary shall determine, or, at the option of Beneficiary, the entire amount so collected, or any party thereof, may be released to Trustor. Such application or release by Beneficiary shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice. Such application by Beneficiary shall not cause discontinuation of any proceedings to foreclose this Deed of Trust. In the event of foreclosure, all rights of Trustor in insurance policies then in force shall pass to the purchaser at the foreclosure sale. Insurance proceeds applied to the loan shall reduce the loan debt by that amount, but shall not relieve Trustor of the requirement to make any payment or fulfill any other obligation required the Deed of Trust Note or this Deed of Trust.

4. To appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee, and to pay all costs and expenses, including the cost of evidence of title and attorneys' fees in a

reasonable amount, in any such action or proceeding in which Beneficiary or Trustee may appear in any suit brought by Beneficiary or Trustee to foreclose this Deed of Trust.

5. To pay all costs, fees and expenses in connection with this Deed of Trust, including the expenses of Trustee incurred in enforcing the obligation secured hereby and Trustee's and attorneys' fees actually incurred, as provided by statute.

6. If Trustor fails to perform the covenants and agreements contained in this Deed of Trust, or there is a legal proceeding that may significantly affect Beneficiary's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation, or to enforce laws or regulations), then Beneficiary may do and pay for whatever is necessary to protect the value of the property and Beneficiary's rights in the Property. Beneficiary's actions may include paying any sums secured by a lien which has priority over this Deed of Trust, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Beneficiary may take action under this paragraph 6, Beneficiary does not have to do so and waives nothing by omitting to take action.

Any amounts disbursed by Beneficiary under this section shall become additional debt of Trustor secured by this Deed of Trust. Unless Trustor and Beneficiary agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, interest, upon notice from Beneficiary to Trustor requesting payment.

IT IS MUTUALLY AGREED THAT:

1. In the event any portion of the subject property is taken or damaged in an eminent domain proceeding the entire amount of the award, or such portion thereof as may be necessary to fully satisfy the obligation secured hereby, is hereby assigned and shall be paid to Beneficiary, who may apply or release such monies received by it in the same manner and with the same effect as provided hereinabove for disposition of proceeds of fire and other insurance.

2. By accepting payment of any sum secured hereby after its due date, Beneficiary does not waive its right to require prompt payment when due of all other sums so secured to declare default for failure to so pay.

3. At any time or from time to time, without liability therefore and without notice, upon the written request of Beneficiary and presentation of this Deed of Trust and note of endorsement, and without affecting the personal liability of any person for payment of the indebtedness secured hereby, Trustee may reconvey all or any part of the subject property, consent to the making of any map or plat thereof, join in granting any easement thereon or join in any extension agreement or any agreement subordinating the lien or charge hereof.

4. Upon the written request of Beneficiary stating that all sums secured hereby have been paid, and upon surrender of this Deed of Trust and the Deed of Trust Note secured hereby to Trustee for cancellation and retention and upon payment of its fees, Trustee shall reconvey, without warranty, the property held hereunder. The recital of any matters of facts in any reconveyance executed under this Deed of Trust shall be conclusive proof of the truthfulness thereof. The grantee in such reconveyance may be described as "the person or persons legally entitled hereto".

5. As additional security, Trustor hereby gives to and confers on Beneficiary the right, power and authority, during the continuation of this trust, to collect rents, issues and profits of the subject property, reserving unto Trustor the right, prior to any default by Trustor in the payment of any indebtedness secured hereby or in the performance of any agreements hereunder, to collect and retain such rents, issues and profits as they become due and payable. On any such default, Beneficiary may, at any time and without notice, either in person, by agent or by a receiver to be appointed by the court, and without regard to the adequacy of any security for the indebtedness hereby secured, enter upon and take possession of the subject property, or any part thereof, and, in its own name, sue for or otherwise collect such rents, issues and profits, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection, including reasonable attorneys' fees, on any indebtedness secured hereby and in such order as Beneficiary may determine. The entering upon and taking possession of the property, the collection of rents, issues and profits and the application thereof as set forth herein shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

6. Remedies.

(a) Upon written request therefore by Beneficiary, specifying the nature of the default or the nature of the several defaults and the amount or amounts due and owing, Trustee shall execute a written notice of default and of its election to cause the subject property to be sold in order to satisfy the obligation hereof, and Trustee shall cause said notice to be recorded in the Office of the Recorder of each recording district wherein the real property, or some part thereof, is situated.

Notice of sale having been given as then required by law, and not less than the time then required by law having elapsed after recordation of said notice of default, Trustee, without demand on Trustor, shall sell the property at the time and place of sale fixed by it in the notice of sale, either as a whole or in separate parcels, and in such order as it may determine, at public auction to the highest and best bidder for cash, in lawful money of the United States of America, payable at time of sale. Trustee may postpone the sale of all or any portion of the subject property by public announcement at the time and place of said sale and, from time to time thereafter, may postpone said sale by public announcement at the time fixed by the preceding postponement. Trustees shall deliver to purchaser its deed conveying the property so sold, but without any covenant or warranty, express or implied. The recital in such deed of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person except Trustee may purchase at said sale.

After deducting all costs, fees and expenses of Trustee and of this trust, including the cost of evidence of title and reasonable attorneys' fees in connection with said sale, Trustee shall apply the proceeds of the sale (1) to the payment of all sums expended under the terms hereof not then repaid, with accrued interest at the rate set forth in the Deed of Trust Note secured hereby; (2) to all other sums then secured hereby; and, (3) the surplus, if any, to the person or persons legally entitled thereto.

(b) The power of sale conferred by this Deed of Trust and the laws of the State of Alaska is not an exclusive remedy; Beneficiary may cause this Deed of Trust to be foreclosed judicially. Beneficiary may also bring suit on the Deed of Trust Note secured hereby; and, if execution does not satisfy the judgment, it may form the basis of judicial foreclosure of the collateral.

7. Beneficiary may, from time to time, as provided by statute, appoint another Trustee in the place and stead of Trustee herein named and, thereupon, the Trustee so appointed shall be substituted as Trustee hereunder, and have the same effect as if originally named Trustee herein.

8. All payments made under the note or notes secured hereby shall be added together and the aggregate amount thereof shall be paid each month in a single payment to be applied by Beneficiary to the following items in the order set forth:

(a) Ground rents, if any, taxes, special assessments, fire and other hazard insurance premiums;

(b) Interest on the note or notes secured hereby; and

(c) Reduction of the principal of said note or notes.

Any deficiency in the amount of such aggregate monthly payment, shall, unless made good within 30 days, constitute an event of default under this Deed of Trust.

9. This Deed of Trust applies to, inures to the benefit of, and is binding not only on the parties hereto, but on their heirs, devisees, legatees, administrators, executors, successors and assigns. The term "Beneficiary" shall mean the holder and owner of the Deed of Trust Note secured hereby, whether or not named as Beneficiary herein, or, if the Note has been pledged, the pledgee thereof. In this Deed of Trust, whenever the context so requires, the masculine gender includes the feminine, and the singular includes the plural.

10. Trustor requests that a copy of any notice of default and of any notice of sale hereunder to be mailed to Trustor at Trustor's address set forth hereinabove.

11. For the purposes of Alaska Statute §34.20.150 the period of this instrument and its date of maturity is 10 years from the date of execution of this Deed of Trust. In the event a Deed of Reconveyance for this Deed of Trust is not recorded within the 10 year period, the period of this instrument and its maturity date shall be automatically extended for an additional 10 years, regardless of whether another instrument extending the period or a memorandum of payment is recorded during the initial 10 year period. It is the intent of the parties to this Deed of Trust that this Deed of Trust stay in full force and effect until the underlying obligations which it secures are satisfied in full.

12. The Trustor (borrower) or any other person bound by this Deed of Trust and the note it secures is personally obligated and fully liable for the amount due under the note. The Beneficiary (creditor) has the right to sue on the note and obtain a personal judgment against the undersigned Trustor or any other person bound by this Deed of Trust and the note it secures for satisfaction of the amount due under the note either before, after or without a judicial foreclosure of the mortgage or Deed of Trust under Alaska Stat. §09.45.170 - §09.45.220.

13. Due on Sale. If all or any part of the property or an interest therein is sold or transferred or if the property is encumbered without Beneficiary's prior written consent, Beneficiary may, at Beneficiary's option, declare the sums secured by the Deed of Trust to be immediately due and payable.

If Beneficiary exercises such option to accelerate, Beneficiary shall mail to Trustor a notice of acceleration at the address specified elsewhere in this Deed of Trust. Such notice shall provide a period of not less than thirty (30) days from the date

the notice is mailed within which Trustor may pay the sums declared due. If Trustor fails to pay such sums prior to expiration of such period, Beneficiary may, without further notice or demand upon Trustor, invoke any remedies permitted under this Deed of Trust or under the laws of the State of Alaska.

IN WITNESS WHEREOF, Trustor has executed this Deed of Trust on the day and year first above written.
