

Potential Sales Tax Free Days for 2014

Friday, November 28

Saturday, November 29

I MOVE to authorize _____ as Sales Tax Free day(s) for 2014 noting the sales tax free day(s) will not be applicable to any sale of fuel, nor affect any sale which is part of a continuing obligation of the buyer to pay the seller over time.

This action is actually 2 weeks overdue and should have taken place at your first meeting in September per SGC below. I had it flagged for September, but didn't realize it specified the first regular meeting in September, my apologies. Colleen.

4.09.020 Collection of tax.

A. The tax described in Section 4.09.010(A) is imposed on the purchaser and must be collected by the seller and paid to the city and borough of Sitka by the seller as provided in Section 4.09.270. The seller holds all taxes collected in trust for the city and borough of Sitka. The tax must be applied to the sales price.

B. The assembly at their first meeting of September each year shall consider whether to authorize any sales tax free day(s) that have historically followed Thanksgiving. If authorized the sales tax free day(s) will not be applicable to any sale of fuel, nor affect any sale which is part of a continuing obligation of the buyer to pay the seller over time.

Notwithstanding any provision of law, air or sea charter services, provided a person or entity in the business of providing such charter services, are exempt from sales tax by the city and borough of Sitka if the charter does not commence and end within the city and borough of Sitka.

B. The rate of levy of the sales tax levied under subsection A of this section is five percent on sales made during the months of October, November, December, January, February, and March. The rate of levy of the sales tax levied under subsection A of this section is six percent on sales made during the months of April, May, June, July, August, and September.¹

C. A flat rate of ten dollars per fish box shall be levied on the packaged fish and/or seafood caught or taken and retained by fish charter customers as part of the fish charter. This tax shall be paid by the fish charter customer, collected by whoever packages the fish and/or seafood caught or taken by the fish charter customer, and is in addition to any sales tax paid based on the cost of the charter. This tax is effective January 1, 2007. For purposes of this subsection, a "fish box" means any packaging by a fish charter operator or processor of fish and/or seafood caught or taken as part of the charter by a fish charter customer. The sales tax collected from this levy on fish boxes shall be deposited by the finance director in the following funds in the following ratios:

1. Thirty percent in the harbor fund;
