

Discussion / Direction

of a request to purchase a portion of Tract A11 of Whitcomb Heights Subdivision encompassing approximately 41,000 square feet near the corner of Cushing Street and Kramer Avenue.

Direction from the Assembly is needed on the following:

- Keep/sell the land
- Market the requested portion or entire tract
- Market specifically for a manufactured home park (versus leaving development options open per the zoning)
- Preferred disposal method (bid vs. managed proposal process)
