

wasting. Residential and undeveloped properties are adjacent. Windsor asked if there are plans for further development of Davidoff Street. Bosak stated that there are no such plans at this time. Staff recommend postponement until a geotechnical analysis can be conducted. Hughey stated that a vacation of the street could result in a safer placement for the proposed house. Spivey asked if the vacation is feasible. Scarcelli stated that he does not want to speculate, but the applicant could pursue the process if he wishes.

Sam Smith stated that this is one of the last few undeveloped view lots in town. Smith stated that test holes have been dug. Smith stated that he is pursuing quotes for geotechnical analysis. Smith stated that he believes the geotechnical analysis is in the purview of the Building Department, and if he built within the setbacks he would not be going through the Planning Commission process. Parmelee asked about the engineer, and Smith stated that he is working with Ryan Wilson. Parmelee stated confidence in Wilson's work. Smith stated that he plans to buy the lot and build on it for himself. Hughey asked if Smith is interested in vacating the right of way, and Smith stated that he didn't believe the adjacent owner would be interested. Hughey asked about the time frame. Smith stated that he would like to develop in the spring. Smith stated that he would work on attaining the geotechnical analysis. Scarcelli stated that the Building Department will require a geotechnical analysis regardless of the variance process.

Conner Nelson stated that the landslide was not a natural slide, so he does not believe a geotechnical analysis will help.

Spivey stated that geotechnical is under Building's purview, but would help in making the variance decision. Parmelee stated his preference to approve with the condition of approval that the geotechnical analysis meets Building's requirements. Spivey asked if the commissioners believe that they have enough information to make a decision. Parmelee stated that no neighbors have submitted comments. Windsor asked if Hughey has a conflict of interest with the Sitka Community Land Trust because of the organization's property. Hughey stated that he does not believe he has a direct conflict of interest. Bosak stated that it is the board's job to consider public health, safety, and welfare.

Hughey/Parmelee moved to POSTPONE until geotechnical analysis is completed and submitted.

Motion PASSED 4-0.

I Public hearing and consideration of a conditional use permit request for marijuana retail at 4612 Halibut Point Road, in the C-2 general commercial and mobile home zone. The property is also known as Lot 1 of Wyatt-Cox Resubdivision #2. The request is filed by Aaron Bean for Green Leaf, Inc. The owners of record are Connor K. Nelson and Valerie L. Nelson.

Scarcelli clarified the applicant and address for the record. The commission granted a permit for marijuana cultivation at 4614 Halibut Point Road. The proposed retail would be in an under-construction structure at 4612 Halibut Point Road. The property is not within 500 feet of sensitive uses. This new industry can be expected to bring revenue to the community. Staff recommend approval. Spivey clarified if staff support approval without a parking plan.

Scarcelli stated that he believes the property will have enough parking, and a plan is a condition of approval. Parmelee stated that he has not known there to be parking issues in the vicinity.

Eric Van Cise and Conner Nelson represented the application. Nelson stated that there is a lot of parking on site. Nelson stated interest in buying some of the state right-of-way for parking in the future. Spivey stated that the packet is thorough. Parmelee asked about parking. Nelson and Scarcelli stated that parking seems to be available. Windsor asked about on-site consumption. Van Cise stated that there is a consumption area indicated on the second story with retail on the first story.

Spivey asked to clarify if parking can be a condition of approval. Scarcelli stated yes. Windsor stated that he believes it's a good idea.

Windsor/Hughey moved to APPROVE findings that there are no negative impacts present that have not been adequately mitigated by the attached conditions of approval.
