We live at 1503 Davidoff down from Neva St. which is the street proposed to be vacated. Our reservation on this issue is the congestion that exists on Davidoff St. The upper portion of Davidoff is narrow and dead ends. Our concern in vacating Neva is that it leaves no public space for vehicles to maneuver. Right now the garbage truck uses the Neva Street access to turn around each week.. Other delivery vehicles use it this way also. Should we need emergency vehicle access for fire, accident or landslide, that access to maneuver could be very important.

So, we would like to go on record as wanting to keep Neva as is.

Thank you,
