

CITY AND BOROUGH OF SITKA

RESOLUTION NO. 2013-09

**A RESOLUTION OF THE CITY AND BOROUGH OF SITKA, ALASKA
AMENDING A MATCHING GRANT FROM THE ALASKA
DEPARTMENT OF ENVIRONMENTAL CONSERVATION FOR THE UV
DISINFECTION FACILITY**

Whereas, the Enhanced Surface Water Treatment Rules (ESWTRs) were issued by Environmental Protection Agency (EPA) requiring drinking water systems to provide additional microbial and disinfection controls for surface water systems. The Long Term 1 & 2 ESWTRs require public health protection against *Cryptosporidium*, while addressing risk tradeoffs with disinfection by-products; and

Whereas, This additional treatment must be in operation and approved by the State DEC before October 1, 2014; and

Whereas, the Department of Environmental Conservation has a Municipal Matching Grant program to fund the project design and construct the UV Disinfection Facility; and

Whereas, the Municipal Matching Grant program will provide 70% of the funding and the City and Borough of Sitka would provide 30% of the funding; and

Now therefore be it resolved by the Assembly of the City and Borough of Sitka that Sitka is committed to provide the required treatment.

Be it further resolved that the Administrator is authorized to accept from the Alaska Department of Environmental Conservation Matching Grants an amended grant of \$5,561,000 for previously authorized at \$5,530,000 as stated in Resolution 2011-17, to complete the project design and construct the UV Disinfection Facility.

Passed and approved by the Assembly of the City and Borough of Sitka, Alaska on this 28th day of May, 2013.
