Josh Arnold's Letter of interest for the Ports and Harbors Commission

I, Josh Arnold, would like to be considered for appointment to the Ports and Harbors commission. I have grown-up in Sitka and have had boats in the Sitka harbors since 1990. I am a high school teacher in the winter and have been both a commercial fisherman and sports fishing guide in the summers. Sitka's harbors are a huge economic investment for locals and the many non-residents who utilize them. I recognize that Sitka's harbor systems will face challenges in the future and would like to be involved with planning and implementing policies for safeguarding the affordability, usability, safety, and longevity of our harbor systems.

Thank you for your consideration,
