# ANNUAL CONFERENCE Overview

## Welcome to Juneau

Since before statehood, municipalities and the Alaska Municipal League have been delivering services, providing local government structure and creating the great communities we live in today. We have a great opportunity now, and for the near term, to address short-term needs and create long-term solutions in transportation, energy and sustainability, that are crucial to our well-being. The conference will focus on the dialogue and skills that bring us together, establish our partnership with the state, and carry us successfully into the future.

The City and Borough of Juneau invites you to attend the 60th Annual Local Government Conference at Centennial Hall. We are delighted to be your host.

## Training & Networking

AML provides the best training in the state on issues facing municipal leaders. The conference also offers networking opportunities between communities and municipal officials. Pre-conference events for AML Affiliate Associations and Newly Elected Officials begin Monday, November 15, 2010. The 60th Annual Conference begins Wednesday, November 17, 2010.

## Municipal Policy

An important part of the Annual Local Government Conference is to discuss and approve the 2011 AML Policy Statement and Legislative Priorities, adopt Resolutions, and create consensus on key legislative issues. AML members are invited to comment on and/or propose amendments to the Policy Statement, Legislative Priorities and Resolutions during the four policy sections. The process is completed at the 60th Annual Business Meeting where the entire membership will review and adopt the 2011 documents.

## Newly Elected Officials

Building a solid leadership foundation begins with AML's Newly Elected Officials (NEO) Seminar. It is one of Alaska's most highly regarded training programs for local leaders. Officials who would like a refresher course and those who are newly elected to office are invited to attend.

The NEO Seminar takes place on Monday & Tuesday, November 15-16, starting at 8:00 a.m. A separate registration fee is required. A \$50 discount is offered for NEO participants who wish to attend the Local Government Conference. Please come and join us during the AML Annual Conference!
