Dear Members of the Assembly:

I am interested in reapplying to my appointment on the library board. I graduated college with a Bachelor of Arts from the State University of Buffalo in Buffalo, New York and moved to Alaska in 1975 specifically to Sitka and have now lived in Sitka longer than I lived in New York.

For many years I have been active in the library in Sitka with their summer reading program with children. I have been active on the board and give a perspective from an active woman in the community with a passion for books and community and the changing nature of libraries to fit into a different society than the one I grew up in.

Libraries now have computers for the public and a special room for children and more changes are coming. Right now the library is on track to be expanded and it is an exciting time for the board members and the community.

My love of libraries goes back to my youth where I always sought out the public library where ever I lived. In closing I can assure you that I am a committed member of the library board and would like to remain on it. Unfortunately I will not be in town when my name comes up as I am getting a new hip and will be out of town.

Thank you for your time and please consider me for remaining on the board. I started a library in a Federal Prison when I was a VISTA volunteer and I would like to continue to serve the city through the library board.

Sincerely,

A handwritten signature in black ink that reads "Jane E. Eidler". The signature is written in a cursive style with a long, sweeping underline that extends to the right.

Jane E. Eidler
