

Reductions in Public Transit Service if the Green Line must be eliminated due to budget shortfalls.

The two maps/schedules that follow show:

1. The Green Line—which is now funded by a federal Tribal Transit grant to Sitka Tribe. This grant was slashed by Congress in 2012. **Crossed-out areas in orange show services to be eliminated** or put back to 2007 service areas if Green Line is eliminated. (Green Line was first put into service into 2008).

2. The Blue and the Red Lines. If the Green Line is eliminated, then the Blue and Red Lines **would also be cut back—as shown by the crossed out areas in orange.** The Blue Line on Sawmill Creek would pick up the service to Japonski Island sites, but only on a one-hour basis, not the Green Line's ½ hour basis of service.
