Reapplying for Position with the City of Sitka Planning Commission

My name is Stacy Mudry. I do not belong to any outside organizations other than my business that I have been growing for years here in Sitka. I feel that I am at a time in my life where I should expand my knowledge and experience to my community and I honestly believe that this position on the planning commission is a perfect fit for my knowledge.

Having served on the planning commission for the last 3 years has been quite an experience and I would love to continue this journey to serve our community.

I have an Associates Degree in Construction Drafting from Mesa Community College.

I moved to Sitka in October 1999, in which I worked for my brother at Interiorworks, before getting a job at Sitka Ready-Mix in March of 2000.

In 2011, my husband, Darryl Howard and I bought into Sitka Ready-Mix & Rental Equipment, LLC. I have been an owner/store manager since. With all of the growth that our business has overcome, I have overseen a half dozen or so upgrades or remodels for our business.

For anyone that is not familiar with my business, we are a ready-mix supplier, equipment rental yard, and a fairly good size retail store with top name brands; such as STIHL, HILTI, Honda Power Equipment and more. These types of brands have strict criteria for customer service.

My company is one that is always trying our best to help everyone, and if we do not have something to help a person, we will try our best to help figure out a solution for them or another resource. I am constantly saying that I think we are Sitka's information.

This is why I think I would be a good fit for this position, as I enjoy trying to solve problems and helping everyone. Well that...and my background in the construction industry.
