#### QUALIFYING CREDENTIALS:

-Broadcast Contract for televising Assembly Meetings: 1996-2000, Wingin' It Productions. I am very familiar with the way the City, Assembly and citizens of Sitka work together to form good business alliances.

-I have owned three successful businesses in Sitka the past three decades.

-I have a clean criminal record, please feel free to run my name and see what an exemplary citizen I have been for almost 30 years in Sitka.

What do I bring to the Board? In the past 12 months I have studied the business operations of Amsterdam, Netherlands, Seattle, Washington and Denver, Colorado by visiting them. I have collected different materials from packaging, educational pamphlets, and business plans from each area and investigated their communities approach to adapting this newly legal (for Amsterdam it was legalized in 1978) industry into their environments.

I would like you to consider my application for this temporary board so that we may help adapt this new industry into our community with a smart plan that will benefit all facets of our home town.

I have no plans of opening up a shop or starting a farm, I just want to make sure there is an optimistic voice on the panel, one that stands up for Sitka as well as capitalism and the benefits of legalizing marijuana.
