Re: Planning and Zoning Commission Appointment

Please accept this as my letter of interest to continue serving on the Planning and Zoning Commission.

Since becoming a part of the commission in 2012. I have enjoyed serving Sitka in the commission's capacity. I have learned a great deal and been honored to be elected as chairman. I would like to continue the work that is being done for Sitka's future. Currently the commission is working on updating Sitka's Comprehensive plan. This is a huge endeavor and I would like to see it through to the end. I believe that we need a plan that is inclusive of all of Sitka. I believe it needs to be developed in a way that allows all Sitkans an opportunity to grow as people and as a community. I also believe it should be developed to allow our great community to grow its future positively and efficiently.

I believe the skills that I have allow me to approach the comprehensive plan and the board with an open mind and an ability to look at the big picture while still trying to follow city code. I believe I approach every agenda with the desire to help my fellow Sitkan but at the same time I try to keep an awareness of their surrounding neighbors, the future of the property, and also code requirements.

I thank you and appreciate your time and service to our community. I hope you will grant my request in continuing serving our great community.

Sincerely,

Christopher Spivey
