The Honorable Cheryl Westover, Mayor
City and Borough of Sitka

Sitka, Alaska 99835

September 10, 2012

Dear Mayor Westover:

As you know, we are quickly approaching the 100th anniversary of the Alaska Native Brotherhood (ANB). Each year the ANB holds its convention with its partner organization, the Alaska Native Sisterhood (ANS) at a different community in Southeast Alaska. This year the Sitka ANB Camp #1 and Sitka ANS Camp #4 are honored to be the host Camps for this prestigious event from the night of Tuesday, October 2nd to the evening of Saturday, October 6th at the Harrigan Centennial Hall. We are happy to share with you this year's convention theme: "Honoring Our Founders –Carrying Their Vision Forward."

This year the convention holds double significance because the ANB not only will have its 100th anniversary, but it is widely documented the ANB began here in Sitka.

As a result, we are expecting approximately 150 Grand Camp Officers and delegates from Anchorage to Metlakatla, as well as numerous elected federal and state officials/candidates and state and federal agency representatives over the entire week of the convention.

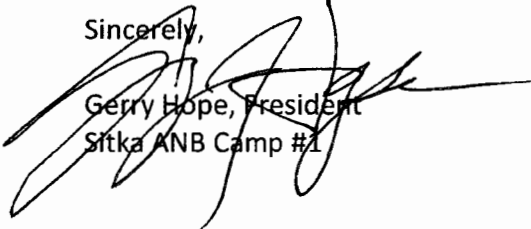

Along with the humble honor to host this year's convention also comes the responsibility to coordinate the details to prepare for this once in a life time event. As part of coordinating the details to prepare for this year's convention, on behalf of the Sitka ANB Camp #1 and the ANB Grand Camp, I request a waiver of cost of the Harrigan Centennial Hall for the purposes of holding the ANB and ANS Grand Camp Convention and honor the ANB's 100-year Anniversary.

The dates reserved are from Monday, October 1st to Sunday, October 7th. These dates will allow a day to set up the convention and a day to pack after the convention.

I am out of town for work and have asked our representatives to make this humble request on my behalf.

Thank you for your consideration and support.

Sincerely,

A handwritten signature in black ink, appearing to read 'Gerry Hope', written over the typed name.

Gerry Hope, President
Sitka ANB Camp #1

Hi Mike,
Could you tell me how much is remaining for use in the non-profit grant fund?

Mayor Westover and Assembly Member Esquiro would like to sponsor an item on the September 25th agenda that would pay the fees for Harrigan Hall use for the upcoming ANB Conference and Sitka Whale Fest out of the non-profit grant fund.
