EXPLANATION

As part of the Fourth Quarter FY11 Formal Budget Execution Review, a number of necessary revisions in the FY11 and FY2 budgets were outlined. These changes involve the increase of expenditure accounts and causes decreased cash flows to the fund balance of various funds. A consolidated budget ordinance will normally follow each formal budget review session. A short explanation of each budget revision is included. The revisions for the Open Purchase orders have been rounded up to the nearest dollar.

5. EFFECTIVE DATE. This ordinance shall become effective on the day after the date of its passage.

PASSED, APPROVED, AND ADOPTED by the Assembly of the City and Borough of Sitka, Alaska this 8th Day of November, 2011.
