Re: Letter of Intent to accompany Tree and Landscape application

To whom it may concern,

I am a charter member of the Sitka Tree and Landscape Committee, (established in 2001). I have been the secretary for the committee for the entire time. I have volunteered many hours and intend to continue to do so.

I started with the committee to fulfill my obligation of 40 hours of community service for attending the Master Gardener class. It is very satisfying to be able to give community service in such a tangible way. I do enjoy driving past the trees I have helped plan and plant. It is great to be a part of an organization that is active with our hands and not just attend meetings, although I do enjoy the review of city projects, landscaping plans.

My education is a BS degree in Electrical Engineering from University of Houston, 1987. I worked as an engineer until 2000, when I retired and moved to Sitka. I started a small business in 2004 in quilt pattern design and that is my current employment.

The Tree and Landscape committee has done a lot for the city of Sitka and is recognized by the state board (Alaska Community Forest Council) as one of the most active tree boards in the whole state. We enjoy an active partnership with the city groundskeeping staff. We have planted hundreds of trees, shrubs and groundcovers for the beautification of our town. I hope that you can find a way to continue to support us as a committee.
