PLANNING AND COMMUNITY DEVELOPMENT DEPARTMENT SUPPLEMENTAL APPLICATION FORM VARIANCE

APPLICATION FOR

- ☐ ZONING VARIANCE – MINOR EXPANSIONS, SMALL STRUCTURES, FENCES, SIGNS
- ☐ ZONING VARIANCE – MAJOR STRUCTURES OR EXPANSIONS
- ☒ PLATTING VARIANCE – WHEN SUBDIVIDING

RATIONALE - Alaska Statute 29.40.040(b)3 states that a variance may not be granted solely to relieve financial hardship or inconvenience. Explain why a variance is required for your project.

We own a strip of land which is just 47' wide. We seek to create a lot which is over 6,000 sq ft but just 47 feet wide

POTENTIAL IMPACTS (Please address each item in regard to your proposal)

- TRAFFIC No undue hardship to the neighborhood
- PARKING Adequate IF granted a parking encroachment. If we are NOT granted the encroachment then this site will not be economically feasible
- NOISE NA
- PUBLIC HEALTH AND SAFETY Building another house for some fortunate Sitkan Family is good for public health
- HABITAT No significant loss of habitat
- PROPERTY VALUE/NEIGHBORHOOD HARMONY this house is not likely to reduce adjoining property values. The NIMBY folks will be upset
- COMPREHENSIVE PLAN Housing is a priority in the Comprehensive Plan

REQUIRED FINDINGS (Choose **ONE** applicable type and explain how your project meets these criterion):

Major Zoning Variance (Sitka General Code 22.30.160(D)1)

Required Findings for Variances Involving Major Structures or Expansions. Before any variance is granted, it shall be shown:

a. *That there are special circumstances to the intended use that do not apply generally to the other properties. Special circumstances may include the shape of the parcel, the topography of the lot, the size or dimensions of the parcels, the orientation or placement of existing structures, or other circumstances that are outside the control of the property owner. Explain the special circumstances:*

b. *The variance is necessary for the preservation and enjoyment of a substantial property right or use possessed by other properties but are denied to this parcel; such uses may include the placement of garages or the expansion of structures that are commonly constructed on other parcels in the vicinity. Explain the use/ enjoyment this variance enables:*

c. *The granting of such a variance will not be materially detrimental to the public welfare or injurious to the property, nearby parcels or public infrastructure. Initial Here* _____

Minor Zoning Variance (Sitka General Code 22.30.160(D)2)

Required Findings for Minor Expansions, Small Structures, Fences, and Signs.

a. *The municipality finds that the necessary threshold for granting this variance should be lower than thresholds for variances involving major structures or major expansions. My request should be considered a minor zoning variance because:*

b. *The granting of the variance furthers an appropriate use of the property. Explain the use or enjoyment this variance enables:*

c. *The granting of the variance is not injurious to nearby properties or improvements. Initial Here* _____

Platting Variance (Sitka General Code 21.48.010)

- a. A variance from the requirements of this title may be granted only if the planning commission finds that the tract to be subdivided is of such unusual size and shape or topographical conditions that the strict application of the requirements of this title will result in undue and substantial hardship to the owner of the property. **Explain the conditions of the lot that warrant a variance:** The property we own is just 47' wide. We can design a house which will fit there, within setbacks. We just cannot adjust the 47'
-
- b. The granting of a platting variance will not be detrimental to the public safety, or welfare, or injurious to adjacent property. **Initial Here** RH
