

CITY AND BOROUGH OF SITKA

FISCAL YEAR 2021

DRAFT
CONSOLIDATED OPERATING
BUDGET

City and Borough of Sitka

100 Lincoln Street • Sitka, Alaska 99835

April 21, 2020

Mayor Paxton, Assembly Members and Fellow Citizens of the City and Borough of Sitka,

In accordance with the provisions of Article XI, Section 11.02 of the Home Rule Charter of the City and Borough of Sitka, the Fiscal Year 2021 Consolidated Operating Budget of the City and Borough of Sitka is hereby presented for your approval.

The Last Year in Review

FY20 was a very challenging year for the Sitka Assembly. The State Legislative budget process was delayed by political debate thus creating great financial uncertainty for all Alaskans. It was late in the year before the depth of State revenue sharing reductions were known. However, both the City and Borough of Sitka and the Sitka School District were able to manage their respective budgets without major reductions in services to residents or students.

Overshadowing almost all other events during FY20, the COVID-19 pandemic created economic shock waves that will reverberate in Sitka for months, if not years to come. The outlays necessary to conduct an emergency response to the pandemic were minor and manageable. On the other hand, the budgetary implications for FY21 are significant and will have a direct impact on the Municipality's ability to offer governmental services and maintain its infrastructure.

An anticipated direct economic impact of COVID-19 in Sitka will be the loss of seasonal sales tax revenue which, in turn, affects the Municipality's funding mechanisms for general obligation bonded debt for schools. We estimate that sales tax revenues for FY21 will decline by \$2M. This decline will be primarily be felt during the summer tourist season, July through September 2020, with some continuation into the winter months. As 1% of all seasonal sales tax revenues are dedicated to pay for general obligation bonded debt, the \$2M decline in overall sales tax receipts is expected to reduce dedicated sales tax receipts for school debt by \$250,000.

Public health and safety outlays have been moderate, and we expect this trend to continue unless COVID-19 cases spike in Sitka. Sitka obtained Federal Emergency Management Agency (FEMA) approval of a Request for Public Assistance, and anticipates that this request will reimburse the Municipality for most eligible expenditures directly related to pandemic response.

The Municipality also intends to pursue every possible path for Federal or State reimbursement of lost revenue streams due to the pandemic. Some revenue streams,

such as sales tax receipts, will be uncontrollable, subject to the overall economy. Others may be as a result of direct steps taken by the Municipality to provide public assistance to its citizens and businesses in the form of reduced utility charges.

During the year the City and SouthEast Alaska Regional Health Consortium (SEARHC) hospital completed a complicated merger process that concluded with the purchase by SEARHC of the business operations and equipment, and subsequent closure, of Sitka Community Hospital. The termination of the community owned hospital has complicated management and financial obligations that will continue for several years as the final obligations of the hospital are resolved.

As a result of the sale of the business operations of the former Sitka Community Hospital to SEARHC, the Municipality agreed to indemnify SEARHC against liabilities associated with the prior operation of the hospital. During due diligence procedures, it was determined that the former Sitka Community Hospital had over-compensated physicians resulting in Stark and Anti-Kickback violations. The Municipality self-reported this over-compensation to the Center for Medicare Services and the Office of the Inspector General (OIG) and is seeking to reach a settlement. In conjunction with its agreement to indemnify SEARHC against liabilities associated with the former hospital, the Municipality agreed to place \$4.5M into an escrow account to provide for the anticipated settlement. In addition, the Municipality agreed for all purchase price payments from SEARHC for the acquisition of the business also be placed into escrow. The Municipality expects to settle the Stark Anti-Kickback violations in FY2021.

Even with the intense budget pressure, the City was able to balance the level of services offered to our citizens with the local ability and desire to pay for those services.

Looking to the Future

Traditional revenue streams flowing from both the Federal and State Governments have stabilized somewhat from prior years. Additionally, many uncertainties surround the recent economic stimulus bills passed by the Federal Government following the COVID-19 pandemic since the State Government will be responsible for dispersing funding to municipalities. We will continue to focus on our Assembly approved FY21 Legislative Priorities as economic stimulus funds become available.

Going into FY21 we are projecting substantial decreases in sales tax revenue due to COVID-19 impacts to tourism, fishing, the cruise industry, hospitality industry, and local businesses. However, a new Internet Sales Tax Program, authorized by the State, may help drive internet commerce to our local businesses.

We are also projecting an increase in property tax revenue due to a complete revaluation of all properties in Sitka including those owned by non-profit entities. The property tax revaluation process will be ongoing over the next two years and is required by the State.

In July 2019 the Assembly adopted six Action Plans that provide for the following:

- Stabilize electrical rates and Electric Department bonded indebtedness
- Create a Master Plan for No Name/Granite Creek development
- Lobby to fund a secondary water source and the Electric Department
- Determine the highest/best use of the Cold Storage
- Build a public use Seaplane Base
- Make the City and Borough of Sitka more business friendly

In the fall of 2019 City staff completed a thorough analysis of Sitka's remaining, excess hydroelectric generation capacity. This study provides design guidance for a major new medical campus that is being studied by SEARHC. A new medical facility will bring much needed new revenue into the electric utility.

During this period the Assembly took action to begin a major renovation of the Green Lake hydrogeneration facility. Green Lake provides about half of Sitka's electricity and the power plant is due for a maintenance overhaul.

Additionally, expectations are high that the U.S. Coast Guard will increase its presence in Sitka by positioning an additional vessel with permanent moorage here. The added infrastructure needed by Coast Guard, along with increases in personnel, housing and services will bring more revenues into the City.

Commercial, sport and subsistence fishing continue to be a major component of Sitka's economy. These industries have added capacity and improvements to their businesses. However, major concerns exist regarding fluctuations in commercial fish populations in the Sitka area.

In late 2019 the Assembly began the process of developing a marine vessel haul out and shipyard at the Gary Paxton Industrial Park. When completed this project will provide important services for Sitka's commercial and sport fishing fleets.

FY21 Budget Comments

We expect the FY21 Budget to be a constantly shifting budget given the high potential for stimulus funds and the uncertainty in revenue projections following the economic impacts of COVID-19.

Our budget does propose service fee increases in our electric, water, and wastewater utilities that are consistent with the annual rate of inflation. Larger rate increases are proposed for the solid waste and harbor funds due to specific financial considerations. However, uncertainties in revenue in the enterprise funds due to potential increased unemployment levels and economic hardships cannot be ignored.

The FY21 budget contains no significant employee salary increases other the programmatic spending increases due to collective bargaining agreements or that are identified in the Sitka City Code. However, the City of Sitka continues to experience

difficulties in recruiting and retaining qualified employees especially in the Electric and Police Departments.

During development of the FY21 budget City staff recommended funding for a long-range plan to finance needed infrastructure renovations while maintaining adequate levels of liquidity and financial stability. Such a plan will assist the Assembly when discussing capital project needs in the future, however due to budget constraints was not funded for FY21.

Overall, the proposed FY21 budget maintains status quo services and staffing levels but incorporates approximately \$3.2M in cuts to confront projected revenue loss from COVID-19. These cuts were made by reducing City operating budgets and cancelling all FY21 capital projects funded with the General Fund. However, there continues to be substantial pressure to find funds to make future improvements to infrastructure owned by the City and Borough of Sitka. This includes facilities operated by the Sitka School District.

Capital Improvement Program

Sitka continues to invest in its future by constructing important improvements to municipal assets. Ongoing projects include a major upgrade of Crescent Harbor, a new drinking water filtration plant and a major renovation of the wastewater treatment plant.

Planning has begun for a major maintenance upgrade to the 38-year-old Green Lake hydro generation facility. This project is a top priority for the City of Sitka.

There is a high likelihood that Sitka will need to delay some non-emergent capital projects to recover from the COVID-19 pandemic, and such delays could result in higher overall costs by deferring necessary maintenance. Maximum effort is being made to identify Federal and State sources of revenue in order to finance these projects. Of particular interest is Federal stimulus funding that may be funneled through the State to address our infrastructure needs. However, Sitka has increasingly been forced to rely upon debt acquisition to fund needed improvements. City staff has recommended that this pattern of project funding be studied in detail during the development of a long-range plan for infrastructure renovations.

In late 2019 the Assembly provided funding for a new lobbying firm that is based in Washington D.C. Efforts are being made to secure Federal and State funding for Sitka's capital project needs.

The City of Sitka mid to long-range capital improvement program is included within this budget document.

Summary

We are in unprecedented times following the COVID-19 pandemic. The City of Sitka's highly defended liquidity position is the sole reason we were able to adjust during the

ongoing emergency response. Not only were we able to respond to the pandemic, but we were sufficiently prepared and able to execute quickly on the OIG settlement at the lowest possible settlement amount.

The key challenge facing the City and Borough of Sitka continues to be the alignment of governmental services provided by the Municipality to its citizens with sustainable revenue streams to not only pay for the operating costs of services, but also to provide for replacement of the infrastructure necessary to provide those services.

Our municipal government continues to provide a comprehensive and complex array of services to our citizens through the collective efforts of our elected Assembly and our dedicated municipal employees.

The financial condition of the City and Borough of Sitka remains stable with a substantial level of combined reserve working capital. We will continue to provide the best possible service to Sitkans while carefully managing the resources they give us to do the job.

Respectively submitted,

John M. Leach
Municipal Administrator

City and Borough of Sitka

Sitka, Alaska

MISSION

To assure quality public services that provide for the well-being of the citizens of the City and Borough of Sitka. To provide the best *service, budget management, and planning* for the future of our community.

OVERALL GOALS

- Increase percent of operating budget provided by Permanent Fund earnings.
- Ensure quality of Municipal infrastructure.
- Increase year round employment opportunities.
- Comply with Vision: Small town atmosphere and high quality of life with sustained economic opportunity.

ONGOING PRIORITY ACTION

- Expand Sitka's presence as a regional health care center.
- Provide positive conditions for economic development.
- Implement and fund waterfront and harbor infrastructure.

MUNICIPAL VALUES

- **Accountability - Accepting responsibility for job performance, actions, and behavior.**
- **Commitment - Individual and collective dedication of employees in providing quality services to meet customer needs.**
- **Equal Opportunity - Providing a work environment that is fair to all employees through equal treatment and equal access.**
- **Honesty - Truthful interaction among employees, the Assembly, and the public which fosters trust and a lasting working relationship.**
- **Open Communication - The honest exchange of ideas and information with coworkers, the public, other departments, and the Assembly.**
- **Professionalism - Promoting honesty, respect, and team effort while adhering to a high standard of ethical conduct.**
- **Respect - Consistently demonstrating a deep regard for the needs and feelings of all people.**

Ordinance 2012-30 was established October 9, 2012
Current Balance \$527,848

CITY AND BOROUGH OF SITKA

ORDINANCE NO. 2012-30

AN ORDINANCE OF THE CITY AND BOROUGH OF SITKA, ALASKA ADDING A NEW CHAPTER 4.44 TO THE SITKA GENERAL CODE ESTABLISHING REQUIRED LEVELS OF CASH TO BE MAINTAINED AND A NEW CHAPTER 4.45 TO THE SITKA GENERAL CODE ESTABLISHING A LONG TERM PUBLIC INFRASTRUCTURE SINKING FUND FOR THE OF REPAIR AND REPLACEMENT OF GENERAL FUND MUNICIPAL BUILDINGS, STREETS, SIDEWALKS, PARKING LOTS, AND PARKS

BE IT ENACTED by the Assembly of the City and Borough of Sitka, Alaska as follows:

1. **CLASSIFICATION.** This ordinance is of a permanent nature and is intended to become a part of the Sitka General Code.
2. **SEVERABILITY.** If any provision of this ordinance or any application to any person or circumstance is held invalid, the remainder of this ordinance and application to any person or circumstances shall not be affected.
3. **PURPOSE.** The purposes of this ordinance are to codify requirements to maintain minimum levels of cash within the General Fund, and, to establish a sinking fund for the repair and replacement of General Fund municipal buildings, streets, sidewalks, parking lots, and parks its subsequent use for such restricted purposes.
4. **ENACTMENT.** The Assembly of the City and Borough of Sitka hereby adds Chapter 4.44 and 4.45 to the Sitka General Code.

Chapter 4.44 REQUIRED LEVELS OF CASH TO BE MAINTAINED IN THE GENERAL FUND

* * *

4.44.01 Required Levels of Cash On Hand. The General Fund of the City and Borough of Sitka shall be required to maintain a minimum level of cash and cash equivalents in order to provide for adequate cash flow management and liquidity for the Municipality.

A. The minimum level of cash and cash equivalents to be maintained shall be equal to the total of all budgeted expenditure for the General Fund for the current fiscal year, divided by 4. Transfers from the General Fund balance shall not be considered expenditure for the purposes of this calculation.

B. For purposes of this Chapter, cash and cash equivalents shall be defined as cash held in demand deposits, overnight repurchase agreements as defined by SGC 4.28.060 4, money market mutual funds as defined by SGC 4.28.060 5, certificates of deposit as defined by SGC 4.28.060 2, and local government investment pools per SGC 4.28.060 6.

4.44.02 Restriction of General Fund Balance. A portion of the General Fund balance equal to the total of all budgeted expenditures for the General Fund for the current fiscal year, divided by 4, (transfers from the General Fund balance shall not be considered expenditure for the purposes of this calculation), shall be restricted as to its use in order to provide for required liquidity of the Municipality and not available for appropriation without a super majority of the Assembly voting in approval. An additional amount of \$2,000,000 shall be restricted as to its use in order to provide funds for responding to an emergency and not available for appropriation without a super majority of the Assembly voting in approval.

Chapter 4.45

LONG TERM INFRASTRUCTURE SINKING FUND FOR THE REPAIR AND REPLACEMENT OF GENERAL FUND MUNICIPAL BUILDINGS, STREETS, SIDEWALKS, PARKING LOTS, AND PARKS

* * *

4.45.01 Establishment of the Public Infrastructure Sinking Fund. There shall hereby be created, within the fund structure of the City and Borough of Sitka, a sinking fund for the repair and replacement of General Fund municipal buildings, streets, sidewalks, parking lots, and parks to be hereafter called the Public Infrastructure Sinking Fund.

4.45.02 Determination of the Required Balance of the Public Infrastructure Sinking Fund. Within 90 days after the start of each fiscal year, the Administrator shall prepare an analysis of the General Fund Balance with an accompanying recommendation as to an amount of the General Fund Balance available for potential transfer to the Public Infrastructure Sinking Fund. This analysis shall first take into account any portions of the General Fund restricted by Section 4.44 of the Sitka General Code before recommending any further amounts for potential transfer to the Public Infrastructure Sinking Fund.

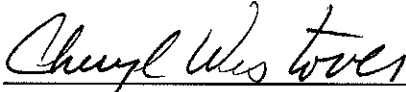

4.45.03 Assembly Action. Within 60 days after presentation of the annual analysis by the Administrator, the amount determined by the Administrator shall automatically be transferred to the Public Infrastructure Sinking Fund, unless a super majority of the Assembly votes to change the recommended amount.

4.45.04 Use of the Sinking Fund. The Assembly shall annually appropriate an amount from the Public Infrastructure Sinking Fund to be used exclusively for the repair and replacement of General Fund municipal buildings, streets, sidewalks, parking lots, and parks as recommended by the Administrator in his annual budget.

4.45.05 Emergency Transfer of the Sinking Fund. The Assembly shall have the authority to transfer any portion of the Public Infrastructure Sinking Fund to the General Fund in the case of an emergency threatening public health, safety, or welfare which requires use of public funds. Such a transfer shall require an approval of a super majority of the Assembly.

EFFECTIVE DATE. This ordinance shall become effective the day after the date of passage.

PASSED, APPROVED, AND ADOPTED by the Assembly of the City and Borough of Sitka, Alaska this 9th day of October, 2012.

Cheryl Westover, Mayor

ATTEST:

**Colleen Ingman, MMC
Municipal Clerk**

Note: The Wastewater Treatment Fund serves as the master fund for all "mega-projects" (i.e., projects which have water, wastewater, and stormwater components). Contracted are awarded for the projects, costs are recorded in the Wastewater Fund, then allocated to other funds on a percentage basis. The positive allocation of designated working capital in 2017 reflects allocation of "mega-project" costs.

**City and Borough of Sitka
FY21 Consolidated Operating Budget**

**Summary of Significant Accounting
and Budget Policies**

Significant Accounting Policies

Accounting for the financial activities of the City and Borough of Sitka is performed in accordance with Governmental Accounting and Financial Reporting Standards, as promulgated by the Governmental Accounting Standards Board (GASB), and applicable Federal and State of Alaska guidelines.

Specific accounting policies having an impact on this budget include the following:

Depreciation - Depreciation is recorded on the straight line basis for all fixed assets and useful lives used to calculate depreciation expense conform, as much as possible, to industry standards.

Inventories - Inventories of maintenance supplies and materials are accounted for under the periodic method on a first in - first out (FIFO) basis. Inventories of maintenance supplies and materials re expensed when consumed.

Bad Debt Expense - Bad debt expense is accounted for under the direct write off method.

Investments in Debt Securities - All investments in debt securities are considered to be held until maturity and are carried at historical cost. Investments are marked to market on a monthly basis separate from the accounting system and market value is reported to management monthly. Premiums and discounts on the purchase of debt securities are amortized on the effective interest methods.

Compensated Employee Absences - Compensated employee absences (annual leave) is expensed as accrued.

Grants - Grants from Federal Government Agencies are accounted for as revenue to the appropriate fund (normally a Capital Project Fund).

Capital Project Funds - All capital construction projects in excess of \$50,000 are normally accounted for in separate Capital Project Funds. Due to increased control initiated in FY97 some projects less than \$50,000 will be accounted for in Capital Projects Funds. For proprietary funds, capital construction is accounted for in separate capital project funds for internal management purposes only; and the end of the fiscal year, all proprietary fund capital projects are closed back to the parent fund through adjusting journal entries. Uncompleted projects are shown as construction in progress and grant revenue for capital construction is accounted for as grant revenue.

Fixed Assets - For accounting purposes the minimum level for fixed assets is set at \$5,000 and for infrastructure is set at \$10,000.

City and Borough of Sitka FY21 Consolidated Operating Budget

Summary of Significant Accounting And Budgeting Policies (cont.)

Significant Budgeting Policies

Specific budgeting policies having an impact on this budget include the following:

Budgeting Basis - Budgeting is on a cash inflow / cash outlay basis. As the financial operations of proprietary funds are required to be accounted for under the accrual accounting basis, budgeting in these funds is for outlays (expenditures), not for expenses. So that the user may relate expenditure authority to its effect on the financial condition of such funds, pro forma financial statements showing the estimated financial effect of the authorized spending are also provided. Accrual accounting information is, where necessary, adjusted to a cash basis in order to provide management with consistent budget execution information.

Operating and Capital Budgets - Authorized expenditures for all funds are divided into separate and distinct capital and operating budgets. Capital budgets include authorized expenditures for acquisitions of fixed assets, minor construction projects, acquisitions of and improvements to land, and direct transfers of equity to capital project funds and other funds (in particular, internal service funds). All other authorized expenditures are contained within operating budgets.

Lapsing of Appropriations and Reappropriations of Capital Expenditures - All unencumbered operating budget appropriations lapse at the end of the fiscal year (June 30th). Capital expenditures do not lapse; however, for internal management purposes, capital appropriations are also assumed to lapse at the end of the fiscal year. Capital expenditures which carry forward to future years are reappropriated and are clearly shown as such in the budget. Amounts shown are estimates only. Actual remaining appropriations are reappropriated.

Revenues - For budgeting purposes, revenues for proprietary funds are assumed to be received in cash although, under accrual accounting rules, some revenues are recorded prior to the actual receipt of cash. These revenues include interest receivable, amortization's of discounts on investment securities, and utility fees billed but not yet received. The effect of these non-cash revenues is not considered to be significant enough to be material.

Internal Budget Redistributions - The Municipal Administrator has the authority to redistribute appropriations between accounts within specific Divisions of the General Fund, within Enterprise Funds and within Internal Service Funds. Authorized expenditures may not be redistributed between operating and capital budgets. Redistributions between certain Divisions of the General Fund, between different Funds or between operating and capital budgets of the same Fund, must be approved by the City and Borough of Sitka Assembly.

Internally Funded Capital Projects - Capital projects in excess of \$50,000 are normally accounted for in separate Capital Project Funds. Due to increased control initiated in FY97 some projects less than \$50,000 will be accounted for in Capital Project Funds. If such projects are funded through grants, donations, or revenue generated by the project, such revenues are accounted for directly under the Capital Project Fund. If a project is funded through the transfer of equity from the General Fund or a Proprietary Fund, the transfer is budgeted as *Interfund Transfers or Advances to Other Funds* under the General Fund or Proprietary Fund, and an *Advances From Other Funds* under the Capital Project Fund. For proprietary funds, capital construction is accounted for in separate capital project funds for internal management purposes only; and the end of the fiscal year, all proprietary fund capital projects are closed back to the parent fund through adjusting journal entries. Thus, if projected expenditures for Capital Project Funds lag behind expected levels, actual amounts of year-end working capital may exceed projected levels.

Fixed Assets - For budgeting purposes the minimum level for fixed assets is set at \$5,000 and for infrastructure is set at \$10,000.
