This matter was APPROVED ON THE CONSENT AGENDA

IX. UNFINISHED BUSINESS:

- C** **ORD 10-05** Amending SGC 21.52.130 entitled "Penalties and Remedies" to include the exemption under Alaska law related to governmental owned property and certain plat requirements.

Stein brought up procedural evaluation comes at the expense of expediency and there are issues with this. Hackett and Westover spoke in support of the earlier public process and noted the transparency this ordinance offers. Ozment pointed out investors can get an answer sooner. Hillhouse made it clear the only thing this does is get rid of the misdemeanor charge. This is still subject to Planning Commission approval.

A motion was made by McConnell that this Ordinance be PASSED ON SECOND READING. The motion PASSED by the following vote:

Yes: 6 - McAdams, Ozment, Westover, Crews, Hackett, and McConnell

No: 1 - Stein

X. NEW BUSINESS:

New Business First Reading

- D** **ORD 10-04S** Amending SGC at Chapter 9.20 entitled "Smoking in Public Places and Places of Employment" to prohibit smoking in bars and in private clubs licenses to sell food or alcoholic beverages, set a minimum reasonable distance for non-smoking outside public places, make additional enforcement requirements, provide for additional violation consequences, and make clarifying amendments, and containing a ballot measure for the October 5, 2010 Municipal Regular Election.

Mayor McAdams read the title.

Andrea Thomas recommended this be voted down because the next ordinance is more in-line with what they have in mind.

Hillhouse clarified this is identical to the one on the last three meeting agendas except this would put it on the ballot. Enforcement is clarified in this ordinance. The ordinance also adds bars and private clubs and clarifies enforcement. Hillhouse said it puts the obligation on the bar/club owner. Mayor McAdams mentioned someone he had spoke to said the enforcement piece would likely kill it in the electorate.

A motion was made by Hackett that this Ordinance be APPROVED. The motion FAILED by the following vote:

No: 7 - McAdams, Ozment, Stein, Westover, Crews, Hackett, and McConnell

- E** **ORD 10-09** Amending SGC at Chapter 9.20 entitled "Smoking in Public Places and Places of Employment" to prohibit smoking in bars and in private clubs licensed to sell food or alcoholic beverages, set a minimum reasonable distance for non-smoking outside public places, provide for additional violation consequences, and make clarifying amendments, and containing a ballot measure for the October 5, 2010 Municipal Regular Election.

Steve Warren thanked the Assembly for addressing this issue. Lynette Moreno-Hinds said Sitka is a place to show the world non-smoking is a good thing. Ryan Kauffman spoke in support of the ordinance. He encouraged the Assembly to consider the language: "To ensure that most people are protected..." to reflect the intention. Andrea Thomas agreed. Westover spoke against the ordinance noting smokers would be out on the street and visitors would experience secondhand smoke. She feared if this passed there would next be a push to not allow smoking outside. Hackett spoke with folks in Washington and Anchorage and both said it was heavily debated, but they have observed it made little to no noticeable difference to the number of people smoking on the streets.

Andrea Thomas, Ryan Kauffman, Steve Warren and Lynette Moreno-Hinds all supported McConnell's amendment. George Paul spoke against the amendment stating it should be by initiative process.

Crews believed Stein's amendment would soften what is trying to be said. Ozment agreed.

Ryan Kauffman agreed with Hackett's amendment. Crews argued it should be in the purpose section, but not within the ballot question.

A motion was made by Stein that this Ordinance be PASSED ON FIRST READING. The motion PASSED by the following vote:

The ordinance was amended on first reading by adding language to the ballot question "to further protect people from the affects of secondhand smoke"- see Hackett's amendment.

Yes: 5- McAdams, Ozment, Stein, Hackett, and McConnell

No: 2- Westover, and Crews

A motion was made by McConnell that this Ordinance be AMENDED. The motion on McConnell's amendment FAILED by the following vote:

To amend on Line 29 of Page 7 to strike:" to prohibit smoking in" and replace with "to extend the Sitka Indoor Clean Air Law of 2005 at Sitka General Code 9.20.015 to include all..."

No: 7- McAdams, Ozment, Stein, Westover, Crews, Hackett, and McConnell

A motion was made by Stein that this Ordinance be AMENDED. The motion FAILED by the following vote:

To amend by adding language following the word "amendments" - "to further protect people from the affects of secondhand smoke in public places and places of employment."

No: 7- McAdams, Ozment, Stein, Westover, Crews, Hackett, and McConnell

Additional New Business Items

- G 10-092 Appoint one to a term on the Historic Preservation Commission 1) Patricia Eliason (incumbent), 2) James Kinsman

Both candidates James Kinsman and Patricia Eliason were nominated. Hackett mentioned Pat Eliason had been sitting on the Commission and had done a good job. She would be disappointed to lose her but on the other hand having someone on the Commission with experience in archeology and that fulfilled the seat as set out by ordinance would be a plus. They urged Eliason to apply for the board again.

Both candidates James Kinsman and Patricia Eliason were nominated. Kinsman received the majority of votes and was appointed.
