I support the Riveras request for 205 Patterson Way. However, I do not want to see extra vehicles parked on the road. It's too narrow and crowded especially with snow. Thank you. Terry Suminski at 120 Patterson Way. 907-738-4709. Thank you.

Subject: Response to short term rental request

Hi,

I am writing in response to the letter we received about our neighbor at 105 Patterson Way requesting a permit to allow a short term rental on his property. We live directly across the street and are opposed to this permit. We do not want the additional traffic at all hours of the night and day. We do not want the added noise on our quiet street. We purchased our house because this type of rental unit was not allowed in this area. Please do not allow this to happen.

Thank you for your time and asking for our opinion.
