

## **DISCUSSION – DECISION – DIRECTION**

### Assignment of a revenue generating study to the newly formed Strategic Planning Commission

#### Notes:

- The hope is that having an assigned task for the commission may help in the recruitment efforts.
- The ordinance states the commission shall be composed of five members appointed by the Assembly and, to the extent deemed advisable by the Assembly, include members active in roles from the major industries of Sitka: seafood, healthcare, tourism and education; along with members from the community at large.
- The Strategic Planning Commission is a five member commission. The Clerk's Office has received one application to date. We have ramped up advertising this month in hopes of recruiting interested individuals.
