Section 9.8 Concurrent Use.

This Lease is subject to reasonable concurrent uses as provided under Article VIII, Section 8 of the Constitution of the State of Alaska. The concurrent user who is found to be at fault for damage or injury arising from noncompliance with the terms governing the user's concurrent use is liable for damages and the user's interest is subject to the forfeiture or termination by Lessor. In this context, the term "concurrent user" includes Lessee and any other person or entity who lawfully uses the land subject to this Lease, but does not include the Lessor.

Section 9.9 Surface Resource.

Unless otherwise provided by this Lease or other written authorization, Lessee may not sell or remove from the leasehold any timber, stone, gravel, peat moss, topsoil, or any other material valuable for building or commercial purposes.

Section 9.10 Appropriation or Disturbance of Waters.

During the term of this Lease, Lessee will have the right to apply for an appropriation of ground or surface water on the leasehold in accordance with Alaska law.

Section 9.11 Acquisition of Rights or Interests.

Any right or interest acquired during the term of this Lease and accruing to the benefit of the leasehold will remain appurtenant to the leasehold, and may not be severed or transferred from the leasehold without the prior written approval of Lessor. In the event of termination or forfeiture of this lease, any such right or interest will vest in Lessor.

Section 9.12 Land Alterations Due to natural or Artificial Causes.

The interest described in this Lease constitutes the entire leasehold. If, through natural or artificial causes, accretion or reliction of land occurs contiguous to the leasehold, Lessee has not right to occupy or use the accreted land unless a separate lease is entered with Lessor with respect to such lands. The rules of law usually applicable to accretion or reliction of land do not apply to this lessee or to the interest described in the lease.

Section 9.13 Environmental Compliance.

(a) Lessee shall, at Lessee's own expense, comply with all existing and hereafter enacted environmental responsibility laws ("Environmental Laws"). Lessee shall, at Lessee's own expense, make all submissions to, provide all information to, and comply with all requirements of the appropriate governmental authority (the "Authority") under the Environmental Laws.

(b) Should the Authority require that a remedial action plan be prepared and that a remedial action be undertaken because of the presence of, or any disposal, release, spill, or discharge, or threatened disposal, release, spill, or discharge of or contamination by hazardous materials at the leasehold that occurs during the term of the Lease or arises out of or in connection with Lessee's use or occupancy of the Subject Property of this lease, then Lessee shall, at Lessee's own expense, prepare and submit the required plans and financial assurances and carry out the approved plans. Lessee's obligations under this section shall arise if there is any event or occurrence at the leasehold during the term of this Lease, or arising out of or in connection with Lessee's use or occupancy of the Subject Property, that requires compliance with the Environmental Laws.

(c) At no expense to Lessor, Lessee shall promptly provide all information requested by Lessor for preparation of affidavits or other documents required by Lessor to determine the applicability of the Environmental Laws to the leasehold, and shall sign the affidavits promptly when requested to do so by Lessor.

(d) Lessee shall indemnify, defend, and hold harmless Lessor from all fines, penalties, suits, judgments, procedures, claims, demands, liabilities, settlements, and actions of any kind arising out of or in any way connected with the presence of or any disposal, release, spill, or discharge or any threatened disposal, release, spill or discharge of or contamination by hazardous materials at the leasehold that occurs during the Term of the Lease or arises out of or in connection with Lessee's use or occupancy of the Subject Property; and from all fines, penalties, suits, judgments, procedures, claims, demands, liabilities, settlements, and action of any kind arising out of Lessee's

failure to provide all information, make all submissions, and take all steps required by the Authority under the Environmental Laws or any other law concerning any spill, discharge, or contamination that occurs during the Term of this Lease or arises out of or in connection with Lessee's use or occupancy of the Subject Property.

(e) Lessee agrees that it will not discharge or dispose of or suffer the discharge or disposal of any petroleum products, gasoline, hazardous chemicals, or hazardous materials into the atmosphere, ground wastewater disposal system, sewer system, or any body of water.

(f) In any court action or administrative proceeding, in addition to all other applicable presumptions, it shall be refutably presumed that any environmental contamination of the leasehold (i) has been released on the leasehold: (ii) has resulted from acts or omissions of Lessee or its agents: and (iii) has occurred during the term of this Lease. Lessee has the burden of rebutting the presumptions by clear and convincing evidence.

(g) As used in the lease, the term "hazardous materials" means any hazardous or toxic substance, material, or waste that is or becomes regulated by any municipal governmental authority, the State of Alaska, or the United States government.

ARTICLE X LESSOR'S RIGHT TO PERFORM LESSEE'S COVENANTS; REIMBURSEMENT OF LESSOR FOR AMOUNTS SO EXPENDED

Section 10.1 Performance of Lessee's Covenants To Pay Money.

Lessee covenants that if it shall at any time default resulting in the Lease being in a condition of default as described in Article XIV or shall fail to timely make any other payment (other than Rent), and the failure shall continue for ten (10) days after written notice to Lessee, then Lessor may, but shall not be obligated so to do, and without further notice to or demand upon Lessee and without releasing Lessee from any obligations of Lessee under this Lease, make any other payment in a manner and extent that Lessor may deem desirable.

Section 10.2 Lessor's Right To Cure Lessee's Default.

If there is a default involving the failure of Lessee to keep the Subject Property in good condition and repair in accordance with the provisions of this Lease, to make any necessary renewals or replacements or to remove any dangerous condition in accordance with the requirements of this Lease or to take any other action required by the terms of this Lease, then Lessor shall have the right, but shall not be required, to make good any default of Lessee. Lessor shall not in any event be liable for inconvenience, annoyance, disturbance, loss of business, or other damage of or to Lessee by reason of bringing materials, supplies and equipment into or through the building during the course of the work required to be done to make good such default. The obligations of Lessee under this Lease shall remain unaffected by such work, provided that Lessor uses reasonable care under the circumstances prevailing to avoid unnecessary inconvenience, annoyance, disturbance, loss of business, or other damage to Lessee.

Section 10.3 Reimbursement of Lessor and Lessee.

All sums advanced by Lessor pursuant to this Article and all necessary and incidental costs, expenses and attorney's fees in connection with the performance of any acts, together with interest

at the highest rate of interest allowed by law from the date of the making of advancements, shall be promptly payable to Lessor by Lessee in the respective amounts so advanced. This reimbursement shall be made on demand, or at the option of Lessor, may be added to any Rent then due or becoming due under this Lease. Lessee covenants to pay the sum or sums with interest. Lessor shall have, in addition to any other right or remedies, the same rights and remedies in the event of the nonpayment by Lessee as in the case of default by Lessee in the payment of any installment of Rent.

Conversely, Lessee shall be entitled to receive from Lessor prompt payment or reimbursement on any sums due and owing from Lessor to Lessee, together with interest at the highest rate allowed by law. However, nothing contained in this Lease shall entitle Lessee to withhold any Rent due to Lessor or to offset or credit any sums against rent, except with respect to unpaid Rent due from Lessor to Lessee under any sublease of Subject Property.

ARTICLE XI DAMAGE OR DESTRUCTION

Section 11.1 Repair and Replacement of Subject Property Following Damage.

(a) If the Subject Property shall be destroyed or so injured by any cause as to be unfit, in whole or in part, for occupancy and such destruction or injury could reasonably be repaired within ninety (90) days from the date of such damage or destruction, then Lessee shall not be entitled to surrender possession of the Subject Property, nor shall Lessee's liability to pay Rent under this Lease cease, without the mutual consent of the Parties. In case of any such destruction or injury, Lessor shall repair with all reasonable speed and shall complete such repairs within ninety (90) days from the date of such damage or destruction. If during such period Lessee shall be unable to use all or any portion of the Premises, a proportionate allowance shall be made to Lessee from Rent corresponding to the time during which and to the portion of the Premises of which Lessee shall be so deprived of the use.

(b) If such destruction or injury cannot reasonably be repaired within ninety (90) days from the date of such damage or destruction, Lessor shall notify Lessee within fifteen (15) days after the determination that restoration cannot be made in ninety (90) days. If Lessor elects not to repair, this Lease shall be terminated. If Lessor elects to repair or rebuild, Lessor shall specify the time within which such repairs or reconstruction will be complete, and Lessee shall have the option, to be exercised within thirty (30) days after the receipt of such notice, to elect either to terminate this Lease and further liability, or to extend the Term of this Lease by a period of time equivalent to the time from the happening of such destruction or injury until the Premises are restored to their former condition. In the event Lessee elects to extend the Term of this Lease, Lessor shall restore the Subject Property to its former condition, not including improvements made by Lessee or its predecessors, within the time specified in the notice, and Lessee shall not be liable to pay Rent for the period from the time of such destruction or injury until the Subject Property are so restored to its former condition.

ARTICLE XII MECHANIC'S LIENS

Section 12.1 Discharge of Mechanics' Liens.

Lessee shall neither suffer nor permit any mechanics' liens to be filed against the title to the Subject Property, nor against Lessee's interest in the Subject Property, nor against the improvements by reason of work, labor, services or materials supplied or claimed to have been supplied to Lessee or anyone having a right to possession of the Subject Property or Improvements as a result of an agreement with or the assent of Lessee. If any mechanics' lien shall be filed against the Subject Property, including the Improvements, Lessee shall cause it to be discharged of record within 30 days after the date that Lessee has knowledge of its filing. Failure to comply may subject the Lease to be terminated.

ARTICLE XIII LIEN FOR RENT AND OTHER CHARGES

Section 13.1 Lien for Rent.

The whole amount of the Rent and each and every installment, and the amount of all taxes, assessments, utility payments, insurance premiums and other charges, fees and impositions paid by Lessor under the provisions of this Lease, and all costs, attorney's fees and other expenses which may be incurred by Lessor in enforcing the provisions of this Lease or on account of any delinquency of Lessee in carrying out any of the provisions of this Lease, shall be and they are declared to constitute a valid and prior lien against property of Lessee, except the Subject Property, and may be enforced by law and equitable remedies, including the appointment of a receiver.

ARTICLE XIV DEFAULT PROVISIONS

Section 14.1 Events of Default.

Each of the following events is defined as an "Event of Default":

- (a) Failure of Lessee to pay any installment of Rent, or any other payments or deposits of money, or furnish receipts for deposits as required, when due and the continuance of the failure for a period of ten (10) days after notice in writing from Lessor to Lessee.
- (b) Failure of Lessee to perform any of the other covenants, conditions and agreements under this Lease, including filing tax forms and/or payment of taxes, fees, utilities, and the continuance of failure for a period of thirty (30) days after Lessor's notice in writing. The notice shall specify the respects in which Lessor contends that Lessee has failed to perform any of the covenants, conditions and agreements. With respect to any default which cannot be cured within thirty (30) days, Lessee, or any person holding by, through or under Lessee, in good faith, promptly after receipt of written notice, shall have commenced and shall continue diligently and reasonably to prosecute all action necessary to cure the default within an additional sixty (60) days.
- (c) The filing of an application by Lessee (the term, for this purpose, to include any approved transferee other than a sublessee of Lessee's interest in this Lease): (i) for a consent to the appointment of a receiver, trustee or liquidator of itself or all its assets; (ii) of a voluntary petition in bankruptcy or the filing of a pleading in any court of record admitting in writing of its inability to pay its debts as they come due; (iii) of a general assignment for the benefit of creditors; or (iv)

of an answer admitting the material allegations of, or its consenting to, or defaulting in answering, a petition filed against it in any bankruptcy proceeding.

(d) The entry of an order, judgment or decree by any court of competent jurisdiction, adjudicating Lessee a bankrupt, or appointing a receiver, trustee or liquidator of it or of its assets, and this order, judgment or decree continuing unstayed and in effect for any period of sixty (60) consecutive days, or if this Lease is taken under a writ of execution.

Section 14.2 Assumption or Assignment of Lease to Bankruptcy Trustee.

In the event that this Lease is assumed by or assigned to a trustee pursuant to the provisions of the Bankruptcy Reform Act of 1978 (referred to as "Bankruptcy Code") (11 U.S.C. § 101 et seq.), and the trustee shall cure any default under this Lease and shall provide adequate assurances of future performance of this Lease as are required by the Bankruptcy Code (including but not limited to, the requirement of Code § 365(b)(1)) (referred to as "Adequate Assurances"), and if the trustee does not cure such defaults and provide such adequate assurances under the Bankruptcy Code within the applicable time periods provided by the Bankruptcy Code, then this Lease shall be deemed rejected automatically and Lessor shall have the right immediately to possession of the Subject Property immediately and shall be entitled to all remedies provided by the Bankruptcy Code for damages for breach or termination of this Lease.

Section 14.3 Remedies in Event of Default.

Lessor may treat any one or more of the Events of Default as a breach of this Lease. At its option, by serving written notice on Lessee and each Secured Party and Leasehold Mortgagee of whom Lessor has notice (such notice not to be effective unless served on each such person) of the Event of Default, Lessor shall have, in addition to other remedies provided by law, one or more of the following remedies:

(a) Lessor may terminate this Lease. In such an event, Lessor may repossess the entire Subject Property and Improvements, and be entitled also to recover as damages a sum of money equal to the value as of the date of termination of this Lease, of the Rent due from Lessee for the balance of the stated term of this Lease, and any other sum of money and damages due under the terms of this Lease to Lessor. Any personal property not removed after such termination shall be addressed as provided for in Section 1.3 above.

(b) Lessor may terminate Lessee's right of possession and may repossess the entire Subject Property and Improvements by forcible entry and detainer suit or otherwise, without demand or notice of any kind to Lessee (except as above expressly provided for) and without terminating this Lease. In such event, Lessor may, but shall be under no obligation to do so, relet all or any part of the Subject Property for rent and upon terms as shall be satisfactory in the judgment reasonably exercised by Lessor (including the right to relet the Subject Property for a term greater or lesser than that remaining under the stated term of this Lease). For the purpose of reletting, Lessor may make any repairs, changes, alterations or additions in or to the Subject Property and Improvements that may be reasonably necessary or convenient in Lessor's judgment reasonably exercised. If Lessor shall be unable, after a reasonable effort to do so, to relet the Subject Property, or if the Subject Property and building are relet and a sufficient sum shall not be realized from reletting after paying all of the costs and expenses of repairs, change, alterations and additions and the

expense of reletting and the collection of the Rent accruing from it, to satisfy the Rent above provided to be paid, then Lessee shall pay to Lessor as damages a sum equal to the amount of the Rent reserved in this Lease for the period or periods as and when payable pursuant to this Lease. If the Subject Property or any part of it has been relet, Lessee shall satisfy and pay any deficiency upon demand from time to time. Lessee acknowledges that Lessor may file suit to recover any sums falling due under the terms of this section from time to time, and that any suit or recovery of any portion due Lessee shall be no defense to any subsequent action brought for any amount not reduced to judgment in favor of Lessor. Any personal property not removed after such termination shall be addressed as provided for in Section 1.3 above.

(c) In the event of any breach or threatened breach by Lessee of any of the terms, covenants, agreements, provisions or conditions in this Lease, Lessor shall have the right to invoke any right and remedy allowed at law or in equity or by statute or otherwise as through reentry, summary proceedings, and other remedies not specifically provided for in this Lease.

(d) Upon the termination of this Lease, or upon the termination of Lessee's right of possession, whether by lapse of time or at the option of Lessor, Lessee will at once surrender possession of the Subject Property and dispose of personal property and Improvements as described in Section 1.3. If possession is not immediately surrendered, Lessor may reenter the Subject Property and Improvements and repossess itself of it as of its former estate and remove all persons and their personal property, without being deemed guilty of any manner of trespass or forcible entry or detainer. Lessor may at its option seek expedited consideration to obtain possession if Lessor determines that the Lease has terminated as described in the first sentence of this paragraph, and Lessee agrees not to oppose such expedited consideration.

(e) In the event that Lessee shall fail to make any payment required to be made provided for in this Lease or defaults in the performance of any other covenant or agreement which Lessee is required to perform under this Lease during the period when work provided for in this Lease shall be in process or shall be required by the terms of this Lease to commence, Lessor may treat the default as a breach of this Lease and, in addition to the rights and remedies provided in this Article, but subject to the requirements of service of notice pursuant to this Lease, Lessor shall have the right to carry out or complete the work on behalf of Lessee without terminating this Lease.

Section 14.4 Waivers and Surrenders To Be In Writing.

No covenant or condition of this Lease shall be deemed to have been waived by Lessor unless the waiver be in writing, signed by Lessor, or Lessor's agent duly authorized in writing and shall apply only with respect to the particular act or matter to which the consent is given. It shall not relieve Lessee from the obligation, wherever required under this Lease, to obtain the consent of Lessor to any other act or matter.

ARTICLE XV LESSOR'S TITLE AND LIEN

Section 15.1 Lessor's Title and Lien Paramount.

Lessor will hold title to the Subject Property.

Section 15.2 Lessee Not To Encumber Lessor's Interest.

Lessee shall have no right or power to and shall not in any way encumber the title of Lessor regarding the Subject Property. The fee-simple estate of Lessor in the Subject Property shall not be in any way subject to any claim by way of lien or otherwise, whether claimed by operation of law or by virtue of any express or implied lease or contract or other instrument made by Lessee. Lessee's interest in the Improvements shall in all respects be subject to the paramount rights of Lessor in the Subject Property.

ARTICLE XVI REMEDIES CUMULATIVE

Section 16.1 Remedies Cumulative.

No remedy conferred upon or reserved to Lessor shall be considered exclusive of any other remedy, but shall be cumulative and shall be in addition to every other remedy given under this Lease or existing at law or in equity or by statute. Every power and remedy given by this Lease to Lessor may be exercised from time to time and as often as occasion may arise or as may be deemed expedient by Lessor. No delay or omission of Lessor to exercise any right or power arising from any default shall impair any right or power, nor shall it be construed to be a waiver of any default or any acquiescence in it.

Section 16.2 Waiver of Remedies Not To Be Inferred.

No waiver of any breach of any of the covenants or conditions of this Lease shall be construed to be a waiver of any other breach or to be a waiver of, acquiescence in, or consent to any further or succeeding breach of it or similar covenant or condition.

Section 16.3 Right to Terminate Not Waived.

Neither the rights given to receive, sue for or distrain from any Rent, moneys or other payments, or to enforce any of the terms of this Lease, or to prevent the breach or nonobservance of it, nor the exercise of any right or of any other right or remedy shall in any way impair or toll the right or power of Lessor to declare ended the term granted and to terminate this Lease because of any event of default.

ARTICLE XVII SURRENDER AND HOLDING OVER

Section 17.1 Surrender at End of Term.

On the last day of the last Lease year of the original or extended Term, or on the earlier termination of the Term, Lessee shall peaceably and quietly leave, surrender and deliver the entire Subject Property to Lessor, subject to the provisions of Section 1.3, in good repair, order, and condition, reasonable use, wear and tear excepted, free and clear of any and all mortgages, liens, encumbrances, and claims. At the time of the surrender, Lessee shall also surrender any and all security deposits and rent advances of Sublessees to the extent of any amounts owing from Lessee to Lessor. If the Subject Property is not so surrendered, Lessee shall repay Lessor for all expenses which Lessor shall incur by reason of it, and in addition, Lessee shall indemnify, defend and hold harmless Lessor from and against all claims made by any succeeding Lessee against Lessor, founded upon delay occasioned by the failure of Lessee to surrender the Subject Property.

Section 17.2 Rights Upon Holding Over.

At the termination of this Lease, by lapse of time or otherwise, Lessee shall yield up immediately possession of the Subject Property to Lessor and failing to do so agrees at the option of Lessor, to pay to Lessor for the whole time such possession is withheld, a prorated share of the annual lease payment. The provisions of this Article shall not be held to be a waiver by Lessor of any right or reentry as set forth in this Lease, nor shall the receipt of a sum, or any other act in apparent affirmance of the tenancy, operate as a waiver of the right to terminate this Lease and the Term granted for the period still unexpired for any breach of Lessee under this Lease.

ARTICLE XVIII MODIFICATION

Section 18.1 Modification.

None of the covenants, terms or conditions of this Lease to be kept and performed by either Party to this Lease shall in any manner be waived, modified, changed or abandoned except by a written instrument duly signed, acknowledged, and delivered by both Lessor and Lessee.

ARTICLE XIX INVALIDITY OF PARTICULAR PROVISIONS

Section 19.1 Invalidity of Provisions.

If any provision of this Lease or the application of it to any person or circumstances shall to any extent be invalid or unenforceable, the remainder of this Lease, or the application of such provision to persons or circumstance other than those as to which it is invalid or unenforceable, shall not be affected, and each provision of this Lease shall be valid and be enforced to the fullest extent permitted by law.

ARTICLE XX APPLICABLE LAW AND VENUE

Section 20.1 Applicable Law.

ARTICLE XXI NOTICES

Section 21.1 Manner of Mailing Notices.

Section 21.4 When Notice Deemed Given or Received.

It shall be deemed received on the third business day thereafter.
