

POSSIBLE MOTION

I MOVE TO approve Resolution 2025-12 on first and final reading authorizing a 50/50 matching grant application to the Department of Justice, Bureau of Justice Assistance for body-worn cameras.

CITY AND BOROUGH OF SITKA

A COAST GUARD CITY

MEMORANDUM

To: Mayor Eisenbeisz and Assembly Members

Thru: John Leach, Municipal Administrator 

From: Chad Goeden, Chief of Police

Date: October 3, 2025

Subject: Approval of Application for U.S. Department of Justice, Office of Justice Programs, Bureau of Justice Assistance (BJA) 50/50 Matching Grant for Body-Worn Cameras

Background

Body-worn camera (BWC) programs have evolved to become indispensable tools, that when strategically implemented, can be integrated as part of a jurisdiction's holistic problem-solving and community-engagement strategy, helping to increase both trust and communication between the police and the communities they serve. Properly implemented BWC programs also can be highly effective in providing an objective audio and visual record of interactions, capturing empirical evidence at crime scenes, during police-citizen interaction, and in use-of-force incidents.

Analysis

With this solicitation, BJA seeks to support the purchase and lease of BWCs by publicly funded law enforcement agencies as part of comprehensive BWC programs guided by sound policy and broad stakeholder input. In addition, the solicitation seeks to support demonstration projects that advance digital evidence management, leveraging BWC digital footage to promote evidence-based and procedurally just practices in agencies with established BWC programs.

Fiscal Note

This is a 50/50 matching grant. CBS would be responsible for 50% of the cost of all body-worn cameras purchased. With this request CBS will be asking for a \$75,000 grant and would be committing \$75,000 in working capital as a match. A new appropriation of \$150,000 would be required if this grant is approved.

Recommendation

Approve this Resolution authorizing the Municipal Administrator to apply for this grant and execute it should it be awarded.
