To Whom It May Concern:

The Sitka Historical Society Board commends the “Revitalize Sitka” work-group, partner organizations and businesses for their planning work to date. The goal of beautifying and supporting a healthy merchant and economy in the downtown district is important to our communities local residents and to our visitor industry.

We support the revitalization of downtown and efforts to improve the business community.

Sincerely,

John Stein
President

Mission: To preserve and promote the events, stories and artifacts of the human history of the Sitka area for the inspiration, education and benefit of the public and future generations.
