Subject: Letter of Interest

Most of you know me or know of me. For those of you who do not, I am a resident of Sitka, 30 years. Retired Coast Guard, retired Assistant Fire Chief and am currently employed with Silver Bay Seafoods as their Health and Safety Coordinator.

I have read the conflict of interest page carefully and truly believe that I can still be an active board member without excusing myself to often when it comes to matters involving Silver Bay Seafoods. However, if necessary I may have to excuse myself, dependent on the matter if it does pertain to a financial gain.

I am also on the LEPC Board and feel it will be no problem or conflict to join the Gary Paxton Industrial Park as a board member. I can bring a lot of what this company is currently involved with and as a Health and Safety Coordinator, I am also very much in tune with the other businesses who also are located within the industrial park.

Due to my background and experience, I do believe I can remain fair and impartial to any and all of the past, present and future issues dealing with the GPIIP and I feel I can also help move the City and Borough as well as GPIIP forward in the right directions for all businesses to succeed as the industrial park continues to grow.

Thank you for your consideration

Respectfully
