No later than January 15th of each calendar year, the administrator shall provide in writing to the assembly a list of at least three department heads from which the administrator can select a person to serve as acting administrator for a given period of time during the next twelve months. The administrator will select from that list, unless unforeseen circumstances require the administrator to select another person not on the list. If another person is selected, the assembly will be informed as soon as possible. The assembly by majority vote may direct the administrator to change the list or the selection.
