MEMORANDUM

To: Mark Gorman, CBS Administrator  
From: Garry White, Director  
Subject: Green Lake Bulk Water Export

**Introduction**

The CBS has been successful in marketing its bulk water allocation available from Blue Lake, located south of downtown Sitka.

The Gary Paxton Industrial Park (GPIP) Director frequently receives inquiries regarding Sitka's Bulk Water assets. Recent inquiries have included the ability to acquire bulk water allocations from Green Lake, located further south of Blue Lake, adjacent to Silver Bay.

The GPIP Board of Directors met on November 23<sup>rd</sup> and approved the following motion.

MOTION: Horan/McConnell moved to request that the Assembly direct City staff to obtain bulk water export permits for Green Lake water.

ACTION: Motion passed 5/0 on a voice vote.

**Action**

- Assembly approval of GPIP Board recommendations.
