

CITY AND BOROUGH OF SITKA

A COAST GUARD CITY

MEMORANDUM

To: Mayor Eisenbeisz and Assembly Members

Thru: John Leach, Municipal Administrator 

From: Sara Peterson, Municipal Clerk

Date: March 14, 2022

Subject: Approve amendments to Sitka General Code 2.40 Elections

Background

This ordinance has been drafted by the Municipal Clerk's Office with consultation from the Legal Department to address two areas needing improvement and/or clarification in Sitka General Code (SGC) Chapter 2.40, Elections.

The first topic addressed by this ordinance is SGC 2.40.095 which requires candidates running for elected office to provide the Municipal Clerk with biographical information, a recent photo, and advocacy statement for publication on the municipal website. Currently, this information is due no later than ten working days after submittal of a completed candidate packet.

The second topic this ordinance addresses is SGC 2.40.250 which outlines the process and qualifications for those wishing to serve as election officials for CBS. Alaska law (AS 15.10.108) allows qualified high school students who are at least 16 years old to serve as an election official through the Youth Vote Ambassador Program (YVAP). The YVAP is designed to capture young people's interest in the political process and in their rights and responsibilities as citizens.

To serve as a Youth Vote Ambassador, an individual must:

- Be a high school student at least 16 years of age or older enrolled in a public or private high school program in Alaska, or be educated in the student's home by a parent or legal guardian.
- Have written permission from a parent or legal guardian
- Agree to attend training as determined by the Municipal Clerk

Currently, SGC 2.40.250(D) does not allow those under the age of 18 to serve as election officials. Election officials serving at a precinct polling place must be a qualified voter.

Analysis

Regarding candidate information, it is most efficient for the Municipal Clerk's Office to have a concrete deadline date for all submittals as opposed to tracking ten working days for each candidate. The proposed code language aligns with the deadline for the withdrawal of a candidate nomination – no later than 5:00 p.m. on the forty-sixth day before the election.

Regarding election officials, the Municipal Clerk's Office has experienced some difficulties in recruiting election officials in recent years. During that time, we were approached by a high school student who had served as an election official for the State of Alaska through the YVAP. The Municipal Clerk's Office would like to extend this opportunity to interested students who meet the criteria. Students would be required to complete an application and attending training. Our office anticipates one or two students being appointed who will work under the supervision of the Municipal Clerk or the precinct chairperson.

Fiscal Note

No fiscal impacts are expected as a result of aligning the deadline for candidate biographical information with the withdrawal of a candidate nomination deadline.

A Youth Vote Ambassador would be compensated at the same rate as our regular election officials (which is currently \$12 per hour) unless they choose to volunteer their time as allowed under AS.15.10.108. The necessary funds are budgeted; this code change allows CBS to expand the pool of election officials to include YVAP eligible applicants.

Recommendation

Approve this ordinance 1) amending the deadline for submittal of candidate biographical information and 2) allowing the election supervisor to appoint one or more students to serve as election officials if they meet the requirements of the Youth Vote Ambassador Program outlined in AS.15.10.108.
