Jess Earnshaw, Deputy Clerk/Records Specialist, 100 Lincoln Street Fax: 907-747-7403 Email: clerk@cityofsitka.org Dear Assembly Members,

I would like to apply for a full term on the Planning Commission. I am currently on the Commission, finishing out a term to which I was appointed in October 2020.

When I first applied to fill a vacated seat on the Planning Commission I admit I was pretty cavalier about it. My attitude was that "well, the city needs volunteers for boards and commissions, so here I am!" I had no idea what a responsibility it is to be on the Planning Commission. Or and board or commission for that matter.

I feel I've learned a tremendous amount in the last year and a half. Not just about policy, but about listening and compromise. I've learned that I greatly respect my fellow Commissioners, even if I don't always agree with them. I've learned that I can change my mind, when given all the information, and that some of the preconceived notions I had about issues were based more on what benefited me, as opposed to what was best for the community. (In my opinion, of course- but that's why there are five of us)

I've learned that some of the reasons I was interested in being on the Commission originally ended up not being so important to me and some way more important than I could have imagined.

So, I hope you will consider renewing my appointment for a full term. I would be honored to continue to serve on the Planning Commission.

Thank you for your time,

Wendy Alderson
