Dear Deborah and Trail Works Board of Directors:

Thank you for your \$400 contribution toward fully splitting the expenses for the August 21 celebration of the completion of Sawmill Creek Road. I understand this was your idea, Deborah, and it was a good one! City and Borough of Sitka already considered Trail Works a full partner in sponsoring this community event. However, Trail Works' financial contribution leaves that much more in the City's entertainment budget to last through FY'15.

Thanks also to President Brian Hanson for his remarks—they were "right on". CBS looks forward to continuing to partner with Trail Works on projects of great value to the Sitka community.

Best regards,

Mark Gorman
Municipal Administrator
