- The renter information handout shall comply with conditions of approval, specifically regarding access, parking, quiet hours, trash management, transportation, and respect for the neighborhood.
- The property is accessed via an access easement.
- Short-term rentals have impacts to long-term rentals and home values. This is important to note regarding this specific proposal and STRs at large.

RECOMMENDATION

Staff recommends that the Planning Commission approve the short-term rental at 505 Park Street subject to the recommended conditions of approval.

BACKGROUND/PROJECT DESCRIPTION

This request is for a conditional use permit for short-term rental (STR) for a unit of a single dwelling unit building. The home has one bedroom. The owner will utilize a property manager to oversee the rental. The unit is in close proximity to downtown and other visitor attractions. The unit would likely attract visitors who plan to forego a rental car and walk or bike while in town.

ANALYSIS

1. CRITERIA TO BE USED IN DETERMINING THE IMPACT OF CONDITIONAL USES.¹

a. Amount of vehicular traffic to be generated and impacts of the traffic on nearby land uses:

Applicant does not anticipate significant increase in vehicular traffic nor impact from proposed use as there is parking on-site, namely space for two cars. This meets the Sitka General Code requirement to afford space for two vehicles per dwelling unit. As the unit has one bedroom and a maximum of 4 guests, it is unlikely that more than one vehicle, if any, would access the property at a time.

b. Amount of noise to be generated and its impacts on surrounding land use: Short term rentals have the potential to create noise from transient guests. Owner will have a property manager available to monitor noise concerns and enforce quiet hours.

c. Odors to be generated by the use and their impacts: Potential odor impacts are minimal and in line with similar residential uses. Garbage shall be disposed of in municipal container and in accordance with Sitka General Code requirements.

d. Hours of operation: Available year-round.

e. Location along a major or collector street: Access from DeGroff St. and Sawmill Creek, access easement from major streets to property.

f. Potential for users or clients to access the site through residential areas or substandard street creating a cut-through traffic scenario: Access easement is the only way to access the property.

g. Effects on vehicular and pedestrian safety: No significant changes expected, minimal traffic with one or no cars utilized for the rental.

¹ § 22.24.010.E

h. Ability of the police, fire, and EMS personnel to respond to emergency calls on the site: Residence has reasonable access from DeGroff and Sawmill Creek similar to other residential buildings in the neighborhood.

i. Logic of the internal traffic layout: The rental unit is a single dwelling unit with one bedroom and one bathroom.

j. Effects of signage on nearby uses: No signage proposed. All signs shall comply with Sitka General Code.

k. Presence of existing or proposed buffers on the site or immediately adjacent the site: Some natural buffers of bushes and trees are on the site and surrounding areas.

l. Relationship if the proposed conditional use is in a specific location to the goals, policies, and objectives of the comprehensive plan: An STR can help support the existing and growing tourism industry by providing transient guests with short-term housing options that allow the potential for more visitors to visit Sitka, bringing in money and creating opportunities for job creation and economic development. STRs also increase the affordability of housing for owners by offsetting housing costs with rental income. However, STRs correlate with negative impacts to available housing stock for residents, long-term rental rates, and increased purchase prices for housing.

m. Other criteria that surface through public comments or planning commission review: Not applicable at this time.

RECOMMENDATION

The Planning Department recommends that the Planning Commission approve the conditional use permit application for a short-term rental at 505 Park Street subject to the recommended conditions of approval.
