

Food Trucks & Push Carts

Food trucks and trailers:

A retail food establishment that is a wheeled vehicle or trailer that is readily moveable and designed for the service of food from the interior of the unit that is intended to physically report to and operate from a commercial commissary kitchen for servicing, restocking, and maintenance each operating day.

Push carts:

A retail food establishment that is a non-motorized, unit designed so foods are served from the exterior of the unit and require very little preparation, such as hot dogs. Push Carts are intended to physically report to and operate from a commercial commissary kitchen for servicing, restocking and maintenance each operating day.
