No Member shall be obligated to restore a deficit balance, if any, in the Member's Capital Account, except to the extent such deficit balance shall have arising as a result of his receipt of a distribution in excess of the amount rightfully due him under this agreement.

**ARTICLE V**  
**PROFITS, LOSSES, DISTRIBUTIONS, AND PAYMENTS**

**5.1 Profits & Losses.** The profits and losses of the Company shall be allocated as follows:

Anna M. Cleaver	9%
Bae Olney-Miller	9%
Virginia Olney	9%
Carol Wright	9%
Lewis M. Schumejda	4.5%
Darby Ipock	4.5%
Eric VanVeen	55%

**5.2 Guaranteed Payments.** A Member shall be entitled to payments from the Company of the agreed upon rate or payment schedule of the Company as determined by a majority vote or as otherwise agreed. All members must consent to any decrease or increase in this amount, and if there is not an agreement such change, the payment schedule shall reflect the prior quarter's guaranteed payment.

**5.3 Allocations to Reflect Contributed Property and Capital Account Revaluations.** In accordance with Section 704(c) of the Code and the Regulations thereunder, taxable income, gain, loss and deduction with respect to any property contributed to the capital of the Company shall, solely for Federal income tax purposes, be allocated among the Members so as to take into account any variation between the adjusted basis of such property for Federal income tax purposes and its fair market value, as recorded on the books of the Company. As provided in Section 1.704-1(b)(2)(iv)(f) of the Regulations, in the event that the Capital Accounts of the Members are adjusted to reflect the revaluation of Company property on the Company's books, then subsequent allocations of taxable income, gain, loss and deduction with respect to such property shall take into account any variation between the adjusted basis of such property for Federal income tax purposes and its adjusted fair market value, as recorded on the Company's books. Allocations under this paragraph shall be made in accordance with Section 1.704-1(b)(4)(i) of the Regulations, and, consequently, shall not be reflected in the Members' Capital Accounts.

**5.4 Varying Partnership Interests during Fiscal Year.** In the even there is a change in any Member's interest in the Company during a fiscal year (e.g., as a result of a valid transfer of all or part of a Member's interest), net profits and net losses shall be approximately allocated among the Members to take into account the varying interests of the Members so as to comply with Section 706(d) of the Code.

**5.5 Regulatory Allocations.** Notwithstanding any other provision in this Section 5 to the contrary, in order to comply with the rules set forth in the Regulations for

(i) allocations of income, gain, loss and deductions attributable to nonrecourse liabilities, and (ii) partnership allocations where partners are not liable to restore deficit capital accounts, the following rules shall apply:

(1) "Partner nonrecourse deductions" as described and defined in Section 1.704-2(i)(1) and (2) of the Regulations attributable to a particular "partner nonrecourse liability" (as defined in Section 1.704-2(b)(4); e.g., a Company liability which one or more Members have guaranteed) shall be allocated among the Members in the ratio in which the Members bear the economic risk of loss with respect to such liability;

(2) Items of Company gross income and gain shall be allocated among the Members to the extent necessary to comply with the minimum gain chargeback rules for nonrecourse liabilities set forth in Sections 1.704-2(f) and 1.704-2(i)(4) of the Regulations; and

(3) Items of Company gross income and gain shall be allocated among the Members to the extent necessary to comply with the qualified income offset provisions set forth in Section 1.704-1(b)(2)(ii)(d) of the Regulations, relating to unexpected deficit capital account balances (after taking into account (i) all capital account adjustments prescribed in Section 1.704-1(b)(2)(ii)(d) of the Regulations and (ii) each Member's share, if any, of the Company's partnership minimum gain and partner nonrecourse minimum gain as provided in Sections 1.704-2(g)(1) and 1.704-2(i)(5) of the Regulations. Since the allocations set forth in this Section 5.4 (the "Regulatory Allocations") may effect results not consistent with the manner in which the Members intend to divide Company distributions, the Members may divide other allocations of net profits, net losses, and other items among the Members so as to prevent the Regulatory Allocations from distorting the manner in which distributions would be divided among the members but for application of the Regulatory Allocations. The Members may accomplish this result in any reasonable manner that is consistent with Section 704 of the Code and the related Regulations. The Members may agree, by unanimous written consent, to make any election permitted by the Regulations under Section 704 of the Code that may reduce or eliminate any Regulatory Allocation that would otherwise be required.

**5.6 Tax Conformity; Reliance on Accountants.** The determination of each Member's share of each item of income, gain, loss, deduction or credit of the Company for any period or fiscal year shall, for purposes of Sections 702 and 704 of the Code, be made in accordance with the allocation set forth in this Article 5. The Members may rely upon the written opinion of accountant retained by the Company with respect to all matters (including disputes) relating to computations and determinations required to be made under this Section or other provisions of the Agreement.

Failure to comply with the terms of this clause will result in the withdrawal and mandatory sale of the member.

Any amendment to or repeal of this **Article VII** shall not adversely affect any right or protection of a Member of the Company for or with respect to any acts or omissions of such Member occurring prior to such amendment or repeal.

To the extent permitted by law, any liability imposed to the Company shall be limited to the activity or to the location upon which it occurred. Under no circumstances shall additional or unrelated Company property be attributable to liabilities to which there is no reasonable relation.

## **ARTICLE VIII INDEMNIFICATION**

The Company shall indemnify and hold harmless any person acting as a member, employee or agent of the Company or other persons acting on behalf of the Company, to the fullest extent allowed by the Act including, without limitation, all expenses (including attorneys' fees), costs, judgments, fines and amounts paid in settlement actually and reasonably incurred by such person, provided such act or omission did not constitute fraud, intentional misconduct, bad faith, gross negligence, or a knowing violation of law, or from which such Member personally received a benefit in money, property, or services to which such Member is not legally entitled. All expenses (including attorneys' fees), costs, judgments, fines and amounts paid in settlement of any action, suit or proceeding shall be paid by the Company as they are incurred by any Member in advance of the final disposition of such action, suit or proceeding, upon receipt of an undertaking by or on behalf of the Member to repay the amount if it is ultimately determined by a court of competent jurisdiction that such person is not entitled to be indemnified by the Company. The provisions of this **Article VIII** do not affect any rights to advancement of expenses to which personnel of the Company, other than members, or any other person may be entitled under any contract or otherwise by law.

## **ARTICLE IX TRANSFERS**

**9.1 Restrictions on Transfers.** Except as otherwise specifically provided in this Agreement, a Member shall not transfer, including, but not limited to, the sale of, assignment, pledge, or encumbering, all or any portion of his interest in the Company without written consent of the majority of membership interests and any purported transfer not in compliance with the provisions of this Agreement shall be null and void and of no force or effect. Regardless of whether the other members have given their written consent to a proposed transfer, no transfer of a Member's interest shall be

permitted if the proposed transfer, when taken together with any other transfer(s) in a given twelve (12) month period ending with the date of the proposed transfer, would cause the termination or dissolution of the Company. Each Member agrees that these provisions are specifically enforceable and agrees to indemnify the Company and each member from all costs, liabilities, attorney's fees or damages resulting from an attempted transfer in violation of this Agreement. A Member's interest in the Company shall not terminate if a court of competent jurisdiction enters an order adjudicating the Member incompetent to manage the Member's person or property.

**9.2 Status of Transferee.** As provided in Section 9.1 above, a transferee shall be admitted to the Company as a Member only on the majority consent of the membership interests and only if the transferee as assignee becomes a party to this Agreement by signing a counterpart signature page to this Agreement and by executing such other documents as the Company reasonably determines necessary. Consent to admit a new Member may be given or withheld in the sole and absolute discretion of each Member. A transferee who is not admitted as a member shall be entitled only to receive allocations and distributions from the Company with respect to such interest as provided in this Agreement, and shall have no right to participate in the management of the business and affairs of the Company.

- (b) Upon the death of the Member, however this section does not apply to an interest held as tenants by the entirety, whereupon the other spouse will be the sole owner of the interest;
- (c) Upon the member's attempted transfer of all or any portion of his interest in the company;

(a) **Purchase Price.** The purchase price of the membership interest shall be equal to the value of the interest based upon the "Estimated Fair Market Value" of the Member's interest as of the Company's fiscal year-end preceding the date of the Triggering Event.

(b) **Estimated Fair Market Value.** The Estimated Fair Market Value of the membership interest shall be based upon an appraisal for real estate of comparable value and an assessment of comparable sales for personal property items. However, in determining the Estimated Fair Market Value, (1) no value shall be attributed to good will or other intangible assets, and (2) liens or other encumbrances against Company assets shall be taken into account in determining the Estimated Fair Market Value of the Company.

(c) **Payment of Purchase Price.** At the option of the Company, and subject to financial institution and/or bank approval, the purchase price for the membership interest shall be paid either;

(i) in cash in one lump sum within ninety (90) days following the closing; or

(ii) in sixty (60) equal successive monthly installments of principal and interest of unpaid principal from the date of transfer. The rate of interest shall be the prime rate of interest in effect at Sitka, Alaska, as of the date of the Triggering Event. The first payment shall be due on one (1) month after the closing date. Any deferred payments shall be evidenced by a promissory note of the purchaser, which shall also provide for prepayment of principal at any time without penalty, and the right to acceleration by the holder upon default in any payment.

(d) **Closing.** The membership interest shall be transferred to the Company by the close of business on the day of the Triggering Event ("Transfer Date"). The member and the members' representatives, executors or successors in interest shall use their best efforts to cause the Transfer to occur.

At the closing, the purchasing member shall deliver to the selling member or his representatives a release of all personal liability of the selling member as a guarantor of any indebtedness for borrowed money or other contractual obligation of the

company to any person or entity or, if any such release cannot be reasonably obtained, an agreement from a person or entity whose creditworthiness is reasonably acceptable to the selling member that fully indemnifies the selling member for such liabilities and obligations.

(e) **Company Actions.** The Company shall take all reasonable actions necessary to repurchase any membership interest that it is required to purchase from a Member.

(f) **Assignment of Interest.** Upon the transfer of the membership interest to the Company, the Member shall execute and deliver assignments legally sufficient to transfer title to the membership interest free and clear of all liens and encumbrances.
