Police Department

Memorandum

October 16, 2019

To: Interim Municipal Administrator

From: Robert Baty, Police Chief

Subject: Accepting monies from the State Homeland Security and Emergency

Management Grant Program

In January of 2019, the Sitka Police Department applied for the 2019 State Homeland Security and Emergency Management Grant. In September we received an award of \$63,000 for Video Security and Network Infrastructure Upgrades. A budget adjustment in the amount of \$63,000 will need to be made to the Police Departments budget.

Then in August 2019 the Sitka Police Department submitted a Reallocation Request of Funds to the State Homeland Security Grant Program in the amount of \$33,000 for the purchase of more servers to support the Video Management System. The funds were awarded and we are requesting a budget adjustment to the 2018 State Homeland Security and Emergency Management project in the amount of \$33,000 for the purchase of new servers.

Fiscal Note:

While these grant funds have been awarded, in order to expend these grant funds, a supplemental appropriation is required. This appropriation will increase appropriations for fixed assets in the General Fund.
