

## Campus Advisory Councils

Board of Regents Policy [02.04.04](#)

In recognition of the importance of citizen involvement in the planning and implementation of higher education programs and services for the state of Alaska, the Board of Regents hereby establishes Campus Councils for the University of Alaska Southeast. These councils, advisory in nature, shall offer guidance to each local educational unit and serve as a link for its public constituencies to the Board of Regents.

The chancellor shall appoint no fewer than 7 and no more than 15 persons to serve on a council in Juneau and in each community or region where a university campus is located. Council membership should be broadly representative of the constituencies served by the campus.

Council members shall serve without compensation but may be reimbursed for reasonable and necessary travel expenses in accordance with Policy and Regulation.
