Dear Sir or Madam:

We are writing this letter in response to a Notice of Violation dated 2/8/21, AMCO case # 21-0104.

We apologize for not understanding the rules that we needed to follow to transfer ownership within The Channel LLC as regards our license type 212, DBA as Channel Club. We thought that since the license is owned by The Channel LLC it wouldn't make a difference since we weren't adding another member to the LLC thus requiring additional fingerprints for another member. We are a family owned LLC working hard to make a living in the current circumstances and we did not realize we were creating a problem for ourselves by not filling out the proper paperwork.

We will immediately start working on the necessary applications to correct the problem. Please accept our apology and know that we will make sure we follow the procedures if we have any changes in the future.

Sincerely,

Charles Olson and Sidney Kinney  
Members: The Channel LLC

Dear Sir or Madam:

Please find enclosed a copy of our Notice of Change of Officials that we sent to the Division of Corporations requesting that they return our percentages of ownership back to the original that match the approved ownership on file with AMCO. The ownership shall remain Patrick O'Donnell 33.33%, Sidney Kinney 33.33% and Charles Olson 33.33% until we complete a transfer of Patrick O'Donnell's shares equally to Charles Olson and Sidney Kinney. It is our intention to transfer one half (16.65%) of Patrick O'Donnell's shares to Charles Olson and Sidney Kinney each in 60 days, or once we have the approval of AMCO. The end result of the transfer will be that Charles Olson and Sidney Kinney will be perfectly equal owners of The Channel Limited Liability Company.

We hope this will resolve the problem with our application for renewal of our license # 212. If you have any further questions or need anything further please feel free to contact Sidney Kinney or Charles Olson at 907-738-3947 or email at [crolson48@hotmail.com](mailto:crolson48@hotmail.com).

Sincerely,
