Project Address

We own the property at 1421 Halibut Point Road. We tore down the existing structure and would like to rebuild and make access to the property easier.

We would like to have a zero setback at the back of the house (ocean side) in order to allow a six foot deck on the back of the house. This will make the setback on the front of the house (HPR side) 18' in front of the garage. This will allow us access to the property via the easement and not have to cross over 1419 HPR property.

The property owner of 1419 HPR allowed prior owners of 1421 HPR to access their property through 1419 HPR because access using only the easement was extremely difficult.
