ORD 14-27 A: Amending SGC at section 4.12.020 entitled "Property Subject to Tax" to increase the biennial motor vehicle registration tax to be used for municipal roads and municipal roads infrastructures such as sidewalks, gutters, bike lanes, sub grade and drainage systems. Alternatively, the Assembly will place on the October 2015 municipal election some form of a tax ballot measure (e.g. sales, fuel, and property) that will produce revenues commensurate with the fees that would be generated by this proposed vehicle tax registration fee ordinance. The increased tax revenues will be dedicated to supporting the maintenance of the CBS roads. If the tax ballot measure is passed the vehicle registration fee outlined within this ordinance will not be implemented.
